The total fixed fee includes tuition, housing, meals, excursions and health insurance valid during program dates. In late April you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing and printing from the web through OneStart. Your prepayment and any IUB financial aid will be reflected as credits there. Stafford loans will be disbursed in two payments. Please contact the Office of Financial Assistance with any questions concerning loan disbursement.

In order for your family to take advantage of government tax-saver benefit plans, your total program fee will be expressed as two separate charges on the Bursar's invoice. The fees listed as "IU-admin" are the instructional fees that qualify as educational costs. Those listed as "Miscellaneous" include all the non-instructional costs of the program, such as room, board and health insurance.

II. Variable program costs

Variable costs are paid in Aranjuez as you pay personal expenses. These costs can vary significantly from student to student depending on your lifestyle and travel plans. The cost is also affected by the changing value of the dollar. Students should budget around \$1,000 for airfare.

IU Withdrawal and Refund Policy

Students who withdraw from IU administered programs are responsible for non-recoverable costs. Your Bursar account will be assessed an additional charge to cover any/all amounts that Overseas Study has committed or paid on your behalf and are non-recoverable at the time of withdrawal, possibly including housing, meals, transportation, and faculty or staff compensation.
