IES fees include tuition, orientation, housing and health insurance. The instructional portion of the fee is \$13,255. In late November the Bloomington bursar will send an e-mail notifying you that your statement is available for viewing and printing from the web through their QuickPay application. Your \$500 prepayment and any IUB scholarships or loans will be listed as credits there.

If your **financial assistance** is greater than the combined IU fees, the difference will be refunded to you. Bloomington campus students should arrange to have their refund deposited directly into a U.S. bank account, see the Bursar website for directions. If for some reason direct deposit is not an option, instruct the Bursar to mail a check to your permanent address where someone is authorized to open your mail and deposit the check into your bank account.

The **Overseas Study fee** (co-spons) is an unremittable portion of IU tuition, which cannot be waived if you are to receive IU credit. It is used to retire IU's construction bonds and is not retained by the Overseas Study Office.

The **IU Service fee** underwrites the activities of the Office of Overseas Study.

Other Program Costs
