The IU fees include tuition, housing, accident and health insurance during the program dates. In order for your family to take advantage of government tax-saver benefit plans, your total program fee is expressed as two separate charges on the IUB Bursar's invoice. The fees listed as "OVST fees-(IU admin program)" are the instructional fees that qualify as educational expenses. Those listed as "OVST Miscellaneous charges" include non-instructional costs of the program, such as health insurance. Fall and spring fees must be paid by the deadlines specified on the electronic IUB Bursar's invoice. IUB financial aid will be listed as a credit on the invoice each semester. The March 3 prepayment will be applied to the second semester fee.

** Prices are based on 89 yen to the dollar. Housing payments and security deposits are subject to change depending on the exchange rate.*
