	<b>\$6,164.80</b>

The total fixed fee includes tuition, housing, some meals, required field trips and health insurance valid during the program. The miscellaneous provider fee includes non-instructional costs of the program. In late April you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing and printing from the web through OneStart. Your prepayment and any IUB financial aid will be reflected as credits there. Stafford loans will be disbursed in two payments. Please contact the Office of Financial Assistance with any questions concerning loan disbursement.

The Overseas Study Fee (co-spons) that you are charged is an unremittable portion of IU tuition, which cannot be waived if you are to receive IU credit. It is used to retire IU's construction bonds and is not retained by the Office of Overseas Study. The one-time Overseas Study Service fee underwrites the activities of the Office of Overseas Study.

### **Other Program Costs**

In addition to the fees paid to IU and IES, it is estimated you will need about \$450 for additional meals, and \$1,300 for text books, local transportation and personal expenses. These latter sums are discretionary and can vary significantly from one student to another depending on your lifestyle and budget. Vacation travel is additional.

### **IU Refund Policy**

Once paid, the \$200 IU Service Fee is non-refundable. The Overseas Study Fee is refunded on a cost-recoverable basis only.

### **IES Refund Policy**

Please refer to your IES acceptance packet.
