

I. Fees Paid to Indiana University

Table with 3 columns: Fee Description, Resident, Nonresident. Rows include Total fixed fee to IU, Due March 23 to Overseas Study (Non-refundable prepayment), and Due May 10 to Bloomington Bursar (IU Overseas Study fee, OVST Miscellaneous charges, Prepayment credit).

The total fixed fee includes tuition, housing in a double room, 3 meals a day - 6 days a week, and health insurance valid during the program dates. In late April you will be notified by the Bloomington Bursar via e-mail that your statement is available for viewing and printing from the web through OneStart. Your prepayment and any IUB financial aid will be reflected as credits there. Stafford loans will be disbursed in two payments. Please contact the Office of Financial Assistance with any questions concerning loan disbursement.

In order for your family to take advantage of government tax-saver benefit plans, your total program fee will be expressed as two separate charges on the Bursar's invoice. The fees listed as "IU-admin" are the instructional fees that qualify as educational costs. Those listed as "Miscellaneous" include all the non-instructional costs of the program, such as housing, meals and health insurance.

II. Variable program costs

Variable costs are paid in Salamanca as you pay for additional meals, personal expenses, and weekend travel. These costs can vary significantly from student to student depending on your lifestyle and travel plans. The cost is also affected by the changing value of the dollar. Use the cost ranges below as a guide for your budget.

Table with 3 columns: Cost Category, Range 1, Range 2. Rows include Miscellaneous (800 - 1,500), Vacation travel (700 - 2,000), and Total variable costs (\$1,500 - \$3,500).

IU Withdrawal and Refund Policy

Students that withdraw from IU administered programs are responsible for non-recoverable costs. Your Bursar account will be assessed an additional charge to cover any/all amounts that Overseas Study has committed or paid on your behalf and are non-recoverable at the time of withdrawal, possibly including housing, meals, transportation, and faculty or staff compensation.
