Dear All,

Easter is coming! Painting eggs is a part of Easter tradition in Poland. We use several different methods to do it. If you want to learn how to make painted eggs like these, come to our Easter Egg Workshop –

Tuesday, April 15, in Polish Studies Center (1217 E. Atwater Ave), we start at 6 p.m.

The workshop is free and open for all, though space is limited.

See you all there!

If you have any question, please contact Emilia Sztabnicka - esztabni@indiana.edu
