General Education and College of Arts and Sciences Education (CASE) Courses

Below is a list of courses that satisfy various GenEd and CASE requirements as of the 2014-15 academic year. The university rules change and the department may change how a course is offered. Therefore, new courses may now satisfy requirements or old ones no longer satisfy the requirement. Please consult with the current instructor and the undergraduate advisor to make sure that you are completing the General Education and Intensive Writing requirements.
