A Night in Memoriam
of Professor Maryellen Bieder

Please join us on Thursday, April 12th from 5pm - 7pm in Hodge Hall 2075 to hear short paper presentations from some of Professor Bieder's former students: Matt Johnson, Justin Knight and Nora Gardner, and to share your thoughts and memories of Professor Bieder in an open forum period to follow. Professor Reyes Vila-Belda will give introductory remarks and Dr. Antonio Parilla-Recuero will moderate our panel. We hope to see you all there!
