HIGHLIGHTS FROM THE SRSA BANQUET

This year’s Student Recreational Sports Association Banquet was Thursday, April 12 at the Indiana Memorial Union, where we recognized and celebrated outstanding achievements of volunteers, participants, and student employees of IU Campus Recreational Sports. We were honored to award Instructor of the Year to Andrew Komarov and Member Services Associate of the Year to Bob Brenner. They have both demonstrated the All Day spirit in their work ethic, positive attitudes, and by giving 100% effort on and off the court. We also had the pleasure of honoring PlaySight donor Jim Williams as well as IU Athletics’ Assistant Athletic Director for Facilities Chuck Crabb for their contributions to Recreational Sports.

CONGRATULATIONS, SENIORS!

Many of us have come to know and love the smiling faces at the Member Services desk or across from us on the court during a lesson. That makes one particular weekend in May a bittersweet one for us at the Tennis Center as we congratulate and say goodbye and good luck to graduating seniors. We appreciate all of the contributions each of these seniors has made at the Tennis Center and we wish them well as they begin the next chapter of their lives. Congratulations - All Day!

MEMBER APPRECIATION DAY

Thank you to everyone that came out and enjoyed free court time and ball machine rentals during Member Appreciation Day this April. We hope you enjoyed it! Keep an eye on our Programming Calendars for the next Member Appreciation Day.

SUMMER FACILITY PROJECTS

We are looking forward to another summer of facility upgrades, including court resurfacing and the replacement of our backdrops and divider net curtains. Both projects are scheduled to take place in August – just in time to kick off the Fall with a bang!
A huge shout out to all of the ladies that participated in the CIWITL (Central Indiana Women’s Indoor Tennis League) this year. The season started in October and is just now finishing up in May. All the teams have had their ups and downs, but everyone continued to battle with true ALL DAY spirit. A big thank you to the team captains for all of their hard work and dedication. This season would not have been possible without all of you. We’re looking forward another one this coming Fall. All Day!

The Tennis Center hosted a brand new tournament on April 28 and participants gave it their all in the competition. The new USTA format was designed to speed up matches, which allowed our members to play multiple sets of doubles and singles without having to commit an entire day or weekend to tennis. Thank you to everyone that participated and put your skills to the test.

The IU Recreational Sports Tennis Center is host for seven USTA teams this summer. Both Men’s and Women’s teams are putting their skills to the test as they battle other clubs across the state. Be on the lookout for matches in progress while you are at the Tennis Center. Giving the home team a small ALL DAY cheer might just be enough to help them score a win!

This summer we are hosting the second Summer is Served tournament. We expect to have a great event again this year with members competing in the doubles round robin mixer tournament that is open to any adult member from the intermediate level to the advanced level. It’s an easy way to have fun on the court and meet some new players. That’s what this tournament is all about! Join us on June 2 from 11am to 1pm. For more information, visit our website or email Adam at astruble@indiana.edu.
