Dear Members,

May and June have come and gone, hopefully without incident in your lives. IU got through the Mini 500 and graduations, and the new University Club Board had it’s first meeting.

There will be some exciting programs coming this season so you will want to mark your date book beginning with the Welcome Reception with Hank Walter, the new IMU Director, as our honored guest. This will be followed by the UWC Fall Luncheon and Interest Group sign-up at St. Marks Church.

Something new will be a tailgate party for the IU and (the evil) Purdue Old Oaken Bucket game. The party will be at the Club. You will not want to miss the Christmas Gala on December 5th with a possible surprise guest... does a red suit come to mind? Be sure and check the web for the complete line up.

The University Club did take one major hit, Tim Long has resigned as Vice President for personal reasons. We wish Tim well. It will be a challenge to replace him.

Other news; we are now in the credit/debit card acceptance mode, so be sure and check this out via information in the newsletter. Don’t forget to renew your membership by July 15th — and yes, you can renew by credit card! Just call the Club.

Again, be sure and check out the Interest Groups for all the great programs and sign up at both the Welcome Reception and the UWC Fall Luncheon.

That’s all for now. July is one of our greatest months because of the 4th of July. America, the greatest land of all!

Sincerely, G. Don
Dear Members,

We are delighted to announce that beginning July 1st 2015, you may use your credit or debit card to pay for your Club Membership, Speaker Series Lunches, or any other event at the Club!

- We accept **cash or check only** when paying at the door **on the day of** an event.

July has two gorgeous flowers the Delphinium, otherwise known as the Larkspur, as well as the Water Lily. These two flowers differ greatly in appearance. The water lily is often referred to as “Queen of the Water” and the flowers almost look like a crown. Water lilies change color from white to deep pink and is the only flower that bears fruit while in full bloom.

The Delphinium might look like a single flower but is made up of numerous tiny flowers shaped like a poker. According to history the Larkspur was originally used as a deterrent for scorpions. The Larkspur is known as a symbol of an open heart and devoted attachment. Native Americans used the Larkspur / Delphinium to make blue dye while some Europeans ground the flowers for making ink. Both these flowers are special in their own right making July a very special month.

There’s no better way to demonstrate your love than by giving a ruby in celebration of a July birthday. Rubies arouse the senses, stir the imagination, and are said to guarantee health, wisdom, wealth and success in love. Rubies are harder than any natural gemstone except diamond, which means a ruby is durable enough for everyday wear. Fine-quality ruby is extremely rare, and the color of the gem is most important to its value. The most prized color is a medium or medium dark vivid red or slightly purplish red.

The University Club of Indiana University was formed in 1912 to be a central focus for interchange and understanding among faculty, staff, alumni, their spouses, IU Retirees, and members of the community. That same year, New Mexico became the 47th state; the oversea railroad first arrived in Key West; Tokyo gave 3000 cherry trees to Washington D.C. to symbolize friendship; the Carpathia arrived in New York harbor with 708 survivors from the RMS Titanic; Harriet Quimby became the first woman to fly across the English Channel; Woodrow Wilson became President; and Tarzan the Ape Man first appeared in an Edgar Rice Burroughs’ novel.

The spirit of those early days lives on through the vitality and energy of our 642 current members. Members provide the ideas and talent that make up the quality and depth of our programs and special events. Whether your reason for being a member is making connections, utilizing the club facilities or the programming, one thing is still the same today as it was 103 years ago... Members make the difference and are the driving force of our continued growth. That makes membership in the University Club a timeless investment for the future.

It’s time for our Regular Members (not Life Members) to renew for the 2015—2016 year. Please complete and mail the form on the next page. Regular Memberships are due July 15th. Thank you!

(Life and Meadowood Membership renewals will go out later in the summer and will be due by September 15th.)
This form is for “Regular UClub Members” only. Please do not use if you are a “Life Member” or “Meadowood Member” Due by July 15th.

You’re Invited to the University Club’s Annual Welcome Reception!

Come meet and mingle with our honored guest, new IMU Director, Hank Walter!

Tuesday, September 8th - 5:30 PM to 7:30 PM — In the Presidents’ Room at the University Club

The University Club is delighted to have the new IMU Director, Hank Walter, as our keynote speaker this year. Hank has deep roots in Bloomington and IU through his family. His late father-in-law, Dick Rubin, was one of the original faculty members at SPEA where he worked for 33 years. His wife, Elizabeth, grew up in Bloomington, and has two degrees from IU. His mother-in-law also received her master’s degree from IU and worked for the IU Foundation before taking a job at the Monroe County Public Library. “We’ve been to Bloomington twice a year for a number of years now,” Walter said. “I really feel connected to IU through my family.”

Hank has leadership experience at two Big Ten Universities. He spend 12 years as associate director for programs at the University of Illinois’ union and has served as chief operating officer of the University of Wisconsin’s union since 2005. “The IMU is an icon in the college union profession,” he said. “It is one of those special places that other unions have benchmarked themselves against. It’s got a national and international reputation. It’s an honor to be a part of that.” We think this is a special place too! Thanks Hank!

Chad Rabinovitz is the only artist in the United States simultaneously serving as the Producing Artistic Director of two theaters devoted to new and contemporary works: Adirondack Theatre Festival (Glens Falls, NY) & Bloomington Playwrights Project (Bloomington, IN). Chad has directed more than 100 productions across the country, focusing primarily on new and contemporary plays. The Bloomington Playwrights Project (BPP) is the only professional theatre in the entire state of Indiana dedicated solely to new plays. In operation for 35 years, we serve both the Bloomington and national theatre community by working with talented playwrights, actors, and artists to develop high-level productions for our local patrons as well as the many audiences attending subsequent productions of scripts that originated here at the BPP. We are an advocate for playwrights and new plays and believe firmly that they are not only important but absolutely vital to the future of our art form.

Outing to Circus City & Peru Circus  Saturday, July 18, Departs 8:00 AM to Peru
From the barn to the big top, circus has been a part of Peru, Indiana for over 100 years. Experience the beautifully costumed young performers who are so skilled that circus fans find it hard to believe they are amateurs. Our first stop will be the International Circus Hall of Fame, located on the old circus winter quarters in Peru, Indiana, where circuses of the past wintered until they left in the spring for a new circus season. The “Circus Greats” enshrined in the Circus Hall of Fame, along with the colorful posters, wagons, models, and exhibits, bring the circus to life. After lunch (included), we will visit the popular Circus City Museum, located in the Circus City Center. It is filled with photos, miniatures, displays, and costumes from circus past. We have reserved seats for the Peru Amateur Circus matinee at 2:00 PM. Price of $55 includes tours and admissions, lunch and reserved ticket to the circus. Bring money for a fast-food meal on the way home.

Beef & Boards Smoke on the Mountain  Wednesday, July 29, Departs 10:30 AM
The lovable – and imperfect – Singing Sanders Family returns in the third installment of the popular comedy series. The story takes place in 1945, seven years since the Sanders Family first came to Mount Pleasant Baptist Church for a Saturday Night Sing. Rev. Mervin Oglethorpe has been called to preach in Texas and is giving his last service before he leaves with his wife June, who is eight months pregnant. Young Dennis Sanders will take over as the pastor at Mount Pleasant, but not before more hilarious and touching stories, and two dozen toe-tapping Bluegrass Gospel favorites. Price of $60 includes buffet lunch, table seating, and refreshments during the drive home.

Columbus Architectural Tour  Wednesday, August 12, Departs 8:30 AM
This guided bus tour shows many of the more than 70 notable buildings and public art installations created by the likes of Eero Saarinen, Harry Weese, Kevin Roche, I.M. Pei, Henry Moore, and Dale Chihuly. Discover how a city of 45,000 became the home to so much world-class architecture and public art. After lunch at Joe Willie’s Burger Bar, we will visit Cummins Corporate Headquarters Museum, The Commons, and the Bartholomew County Memorial for Veterans. Before we leave town, we will stop for an ice cream treat at Zaharakos, the elegantly-restored 1900-style ice cream parlor and museum named "The Number One Thing Every Hoosier Must Do" by Indianapolis Monthly magazine. Price of $40 includes tours and refreshments on the bus; lunch and ice cream is charged back.

At the moment, the price is also a mystery, but sign up anyway – it is fair to say you don’t want to miss this!
