Dear Members,

Will March come in like a lamb? February certainly roared like a cold snow lion! Never-the-less our Club provided lots of fun to warm you up and friends to enjoy. We started the month with the Super Bowl Party. It was a great game with the winner in doubt until the last play - an interception! Most were rooting for the Seahawks but those from the North East were pulling for the Patriots. Indeed it was an exciting game to watch with Club friends. Remember Professor Hirt's research on how you feel when "My Team" wins? You know!

Next, we were privileged to hear Dr. James Madison talk about Hoosier History and his most recent book entitled, “Hoosiers: A New History of Indiana”. Dr. Madison instilled pride in us when he declared that our best US President, Abraham Lincoln, was a Hoosier, no matter what anyone else thought! He even had a picture of one of Abe's school papers. This presentation gave us all new information about Indiana History. Next, we learned a lot about ourselves when Professor Rose told us about his research with twins. Hope it didn't scare you!

We want to thank everyone who donated to the Scholarship Fund. It’s never too late to make a contribution to the Scholarship Fund. Just make your check payable to the IU Foundation and send it into the Club office. You can find the forms on our new website. Easy!

Mark April 10th on your calendar so you can meet the scholarship recipients and enjoy lunch at the Club’s Annual Meeting. We will be electing the Board of Officers for the 2015-2016 year.

We're glad you're here.
March's birth flower is the **daffodil**, which means unequaled love; the sun is always shining whenever your significant other is around.

The other March flower is the **jonquil**, which signifies desire for affection returned. It also is used to convey sympathy.

Thank you!
An admirer of T.C. Steele? Aware of his great presence on IU’s Campus?

A few facts:

Theodore Clement Steele is perhaps the most famous of the “Hoosier Group” of American Impressionist painters.

He was born in Gasport, Indiana in 1847 and began his painting at 5 years of age. By age 13 he was teaching other children how to draw.

By the 1890s, Steele had become a nationally recognized painter.

After his wife Mary’s death in 1885, he decided to focus on painting landscapes.

Steele purchased 200 heavily wooded acres in Brown County, and settled into “The House of the Singing Winds” to paint the hilly landscapes of this rural area near Bloomington.

In 1916 Steele and his wife Selma built a studio which at the time was considered the largest in the state.

T.C. Steele died in July, 1926 at the age of 79.

The property was a gift of Selma Steele to the Department of Conservation in 1945, under the condition that the property be preserved as a memorial. In Mrs. Steele’s own words, “I trust that the whole surrounding forest will be preserved....”

Fundraiser Luncheon
Promoting The University Club’s Endowed Scholarship Fund

Thursday, April 9, 2015  St Marks United Methodist Church  100 N State Road 46

Scholarships are presented at the University Club’s Annual Spring Meeting to students who are employed by the Indiana Memorial Union, have exemplary work records and are returning to campus for future study. They must take a minimum of 12 hours of academic work and have a cumulative grade point average of at least 2.5. Thanks to the generosity of our members in 2013, we were able to award three $1500 scholarships to three very deserving students in March of 2014. Because of your past generosity we anticipate being able to do as well, if not even better, for other exceptionally deserving students at the 2015 University Club’s Annual Meeting. The University Women’s Club thanks you as you help us to assist these remarkable, hard working students through your charitable donation.

Donation checks are to be made out to IU Foundation.

March 2014 $1,500 Scholarship Winners

Since, 2003, funds have been generously donated by members of the University Club to support students of excellence. Within two years the fund reached the $10,000 mark which guaranteed that these scholarships will be given in perpetuity. The fund continues to grow each year and currently has over $47,000 in the endowment. The Indiana University Foundation handles the funds. Last March Suzanne Phillips, Chair of the Scholarship committee, presented three $1,500 scholarships to students; Lauren Kesmodel, Kyle Butler, and Brook Leitch, furthering our efforts to foster collegiality among our members and the campus.

**SPRING - LOW GAP - SATURDAY, APRIL 18TH**

For those wanting to stretch themselves, while exploring the backcountry.

Leave Time: 7:30 a.m. Carpool from 1505 E. Richland Drive to Morgan Monroe State Forest. Distance: 10.7 miles. Estimated hiking time: 5 1/2 - 6 1/2 hours. Difficulty: Strenuous

YOGA

You need not feel intimidated by yoga! If you are interested in improving balance, breathing, flexibility, and relaxation, this is the group for you. No previous knowledge of yoga is necessary. Everyone works at their own level.

Our group meets throughout the year each Tuesday from 10 — 11 am at St. Thomas Lutheran Church in Heritage Hall which promotes a relaxed and spiritual environment for practicing yoga. St. Thomas Lutheran is located at the intersection of Smith Road and E. 3rd Street. Parking is plentiful.

Wear comfortable clothes to permit easy movement; bring a yoga mat and a stretchy band or belt. Our instructors strive to leave you feeling stretched, relaxed and in a better place than when you came through the door.

You may join us three times before membership in the University Club is required for participation. There is no additional cost beyond your University Club membership, but we do ask that you give a minimum $20 annual donation to St. Thomas Lutheran Church for the use of their lovely facility.

If you have questions, please feel free to contact Marilyn, Svelta, or Wendy.

Swope Art Museum
Thursday, March 12, Departs 8:15 AM to Terre Haute
Recently named “One of the 10 best places to see art in smaller cities” by USA Today, we will visit this celebrated museum which formally opened its doors to the public in 1942 with nationwide attention. Its founding collection contained new works by artists such as Grant Wood, Thomas Hart Benton, Charles Burchfield, Zoltan Sepeshy and Edward Hopper, and it remains the feature for which the Swope is best known. Of note to our residents, an exhibit called Fertile Ground: Midwest Printmaking Traditions will feature 10 works by Rudy Pozzatti. After lunch, we will tour the Indiana Theatre. This iconic Terre Haute landmark opened on January 28, 1922, and occupies a special place in American theatre architecture design. The Theatre was built by Terre Haute resident T.W. Barhydt to be a lasting gift to the city of Terre Haute and it was designed by America’s preeminent designer John Eberson to be his first prototype atmospheric theater which became his signature style that is recognized to be the gold standard of American theatre design. Additional tour possible. Price TBA (after lunch arrangements have been made).
