Dear Members,

Lots of April showers have brought us May flowers and remind us of how Bloomington got it’s name - yes, we have a blooming town!

Looking back on April, we were delighted that the University Women’s Club treated us to George Pinney's Broadway Cabaret at their Spring Luncheon. Terry LaBolt accompanied these incredibly talented Musical Theatre students as they sang and danced. We hope the seniors auditioning in New York get some great contracts to perform on Broadway!

Our University Club Annual meeting featured Joy Harter, President of one of the Rotary Clubs, who talked about all of us needing a sense of purpose and engaging in finding meaningful connections in our lives. That can certainly be accomplished by being an active member of the Club! We finished the month with a Wine Tasting Dinner. What a splendid way to dine with wines pared to the foods you are enjoying. The wines from the Laetita and the Zaca Mesa Vineyards that we enjoyed were available for purchase after dinner - so the memory of that dinner could linger on!

A new year for our Club is about to begin. We have shifted our leaders into their new positions and welcome officers, Don Gading, President; Tim Long, Vice President; Jeane Novotny, Secretary; and Kaye Hill, Treasurer. We’ll be asking for your help to keep programs interesting, informative, and fun! Feel free to offer ideas and help.

Thanks to all who helped us. It’s been a great year!

Your Co-Presidents,

Kate & Suzanne
Kate Kroll & Suzanne Phillips
Lilies are the birth flower for May. They were so revered by the ancient Greeks that they believed they sprouted from the milk of Hera, the queen of the gods. Long tied to the Virgin Mary, the white Madonna lily represents virtue, while the lily of the valley conveys sweetness and humility. In the language of flowers, this birth flower expresses purity of heart, majesty and honor.

May's birthstone the Emerald, brings happiness, prosperity, success and goodness. The Emerald is also believed to cure ailments and legends said that emeralds had bewitching and magical properties. Emeralds signify honesty, wisdom, growth and patience.

The UClub Office will be closed on Monday, May 25 for Memorial Day.

Broadway Cabaret

What a Show!

The stars were out and shining brightly at the University Women’s Club Spring Luncheon at St. Marks United Methodist Church last month. George Pinney, IU Professor of Theatre and Drama, directed and choreographed a wonderful Cabaret Showcase featuring his first year and senior Musical Theatre students. The performers danced and sang their way into our hearts with a wide variety of classic show tunes that included everything from Al Jolson to West Side Story. It was a marvelous show!

George has directed and or choreographed over 100 productions including Broadway, West End of London, regional and university theatres as well national and international tours. Nominated for 2001 Tony Award and National Broadway Theatre Award in choreography for BLAST! George received a 2001 Emmy Award for outstanding choreography for the PBS Broadcast of BLAST! Recognized as a master teacher George was awarded the prestigious Friederich Herman Lieber Award for Distinguished Teaching and was selected for membership in the honorary Faculty Colloquium on Excellence in Teaching.

The performers were accompanied on the piano by the incredible Terry LaBolt! Terry is the Musical Director, of the Theatre Program here at IU. His career as a Broadway conductor flourished in the 1980’s conducting shows such as 42nd Street, Hello, Dolly! (with Carol Channing), George M. (with Joel Grey), and Sugar Babies (with Ann Miller and Mickey Rooney). Endeavors at the keyboard include The Fantasticks (original Off-Broadway production) and tough touring shows such as The Phantom of the Opera, Evita, Aida and most currently Mamma Mia. He performed the area premiere of Keith Emerson’s Piano Concerto #1 with the Kentucky Symphony Orchestra in 2001. In addition he was the music director of musical theatre for the University of Cincinnati’s College-Conservatory of Music for more than ten years, conducting and supervising over 30 productions there.

Pictured left are the first year students of the IU Musical Theater Program who danced and sang for us at the UWC Spring Luncheon!

Presenting three $1,500 Scholarship Awards at the Annual Meeting in the Faculty Room of the University Club on April 10th

Compared to some other Big Ten Clubs we are a relative newcomer to raising funds for scholarships. However, once established by the University Club Board of Officers in 2003, we’ve made tremendous progress. For several years now we have been able to award $1,500 scholarships to three outstanding students who work at the IMU. Funds are generously donated by members of the University Club. Due to your continued support the fund currently has over $47,000 in the endowment!

The University Club of Indiana University was formed in 1912 to be a central focus for interchange and understanding among faculty, staff, alumni, their spouses, IU Retirees, and members of the community.

That same year, New Mexico became the 47th state; the oversea railroad first arrived in Key West; Tokyo gave 3000 cherry trees to Washington D.C. to symbolize friendship; the Carpathia arrived in New York harbor with 708 survivors from the RMS Titanic; Harriet Quimby became the first woman to fly across the English Channel; Woodrow Wilson became President; and Tarzan the Ape Man first appeared in an Edgar Rice Burroughs’ novel.

The spirit of those early days lives on through the vitality and energy of our 642 current members. Members provide the ideas and talent that make up the quality and depth of our programs and special events. Whether your reason for being a member is making connections, utilizing the club facilities or the programming, one thing is still the same today as it was 103 years ago... Members make the difference and are the driving force of our continued growth. That makes membership in the University Club a timeless investment for the future.

It’s time for our Regular Members (not Life Members) to renew for the 2015—2016 year. Please complete and mail the form on the next page. Regular Memberships are due July 15th. Thank you!

(Life and Meadowood Membership renewals will go out later in the summer and will be due by September 15th.)

Garden Jaunts Day Outing  Wednesday, June 17, Departs 8:30 AM to Indianapolis
Garfield Park Conservatory & Sunken Gardens is one of Indiana’s most significant works of landscape architecture, located in Indianapolis’ oldest park. With graceful fountains and formal floral displays, its 7,500 square foot conservatory houses hundreds of tropical and subtropical plants. The Medicinal Plant Garden at the Indiana Medical History Museum was created and is maintained by Purdue Master Gardeners of Marion County. The garden features over 90 different medicinal plants, including trees, shrubs, and vines as well as annuals and herbaceous species. Nearly half of the specimens are Native American medicinal plants, while others originated in Europe, Asia, and Africa. Each plant is accompanied by signage stating its origin, what parts had medicinal uses, and what some of those uses were. The stunning scenery of the White River Gardens which includes the indoor Hilbert Conservatory as well as the outdoor DeHaan Tiergarten, will transport you far away from the urban cityscape of downtown Indianapolis to a lush, natural oasis. The Hilbert Conservatory is the shining centerpiece of White River Gardens. The 65-foot ceilings flood the space with light, and the mezzanine level provides a bird's eye view of the glorious indoor gardens below. The variety of plants and garden designs in the DeHaan Tiergarten changes seasonally and contains whimsical surprises hidden amongst the many plants and flowers. If you prefer to visit the Indianapolis Zoo, that is an option. Additional stop if time allows. Price of $50 includes lunch, all admissions and tours, and refreshments on the bus.
