Dear University Club Member:

The University Club has a long tradition of fostering collegiality among its members and the campus community. For over a decade The University Club Scholarship Endowment Fund has continued to grow and provide much needed assistance to our excellent Indiana Memorial Union student employees. Thanks to your continued generous support, the scholarship fund is generating an annual income of $2,000.00, allowing us to award two $1,000.00 scholarships.

“Worrying about school and paying my bills can be a challenge, and this scholarship allows me to focus more on school.”
~Livy Crim, 2017-18 scholarship recipient, Biddle Hotel employee

Livy’s words highlight just how important this scholarship is to the lives of our Indiana University students. With the average cost of attendance at $24,784 for an in-state student and $48,642 for an out-of-state student, you are helping lift the financial burden that some students feel. We would like your help to continue growing the endowment. We are writing to you today to ask if you would consider making a gift to The University Club Scholarship Endowment Fund by December 1, 2017.

Contributions may be tax-deductible on federal tax returns and may be eligible for the Indiana College Credit on state tax returns, depending on your personal circumstances. Because of the historic nature of IU’s approaching bicentennial, donors are also making gifts of stock, life insurance, or life income gift plans (charitable gift annuities, trusts, etc.) through their estate. For assistance with estate planning, please contact: Dave Spencer, Development Director, at daaspenc@indiana.edu or (812)856-7805 for further information.

Please join me in reaching out to the most important segment of our community, our students. On the enclosed form, please indicate how you would like to support the University Club Scholarship.

With great thanks and warm wishes,

Sincerely,

Suzanne J. Phillips
Scholarship Chair
