University Club Board of Directors

If we missed to include your name and you were involved in organizing and planning last year’s events, our apologies. Please let us know and we will update this list in our next newsletter.
Dan and Sharon are relative newcomers to Bloomington and the University Club. They arrived in Bloomington in November of 2015 from Palatine, Illinois. They immediately joined the University Club with the encouragement of their friends Rick and Lois Holl. They first became the community co-chairs and then the Vice president of both the UClub and the UWC with Joe/Ruth encouragement. Sharon retired from full time work in Libraries of all kinds after 41 years. Dan has been a career organization development professional working in both corporate (United Airlines, Blue Cross) and consulting organizations such as the American Productivity and Quality Center. Both Dan and Sharon were adjunct faculty at several universities. Both Dan and Sharon hold master’s degrees from IU. Dan’s work was in Educational Psychology and Adult Education while Sharon’s was in Library Science. They actually met at IU in 1978 and they were married 5 months later. Dan plays euphonium in the Bloomington Community Band, the Bloomington Brass Band, and the IU All Campus Band. Both are active in the Unitarian Universalist Church of Bloomington. They are owned outright by a Shorthaired Persian Cat named Ginger Boy. They love Bloomington and attend numerous concerts and lectures.

Next year they will be focusing on three V’s. They are community visibility, financial viability, and program/interest group vitality. They look forward to working with a fabulous board plus our great manager Svelta and to getting to know as many of you as they can.

We always appreciate your donations to our replacement fund!

**MAH JONGG**

The University Club has a new Interest Group!

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye). The Mah Jongg group meets each Friday. For more information, please contact the group chair.

Currently we have two tables of Mah Jongg and are open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.
