**MAH JONGG**

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye). The Mah Jongg group meets each Friday. For more information, please contact the group chair.

Currently we have two tables of Mah Jongg and are open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.

Chair: Kathleen Boggess 812-361-7332  kboggess44@gmail.com

**EUCHRE**  \[NEW group this year!\]

Euchre is a trick-taking card game most commonly played with four people in two partnerships with a deck of 24, 28 or sometimes 32 standard playing cards. It is the game responsible for introducing the joker into modern packs; this was invented around 1860 to act as a top trump or best Bower. It is believed to be closely related to the French game Écarté that was popularized in the United States by the Cornish and Pennsylvania Dutch and to the seventeenth-century game of bad repute Loo.

The group will meet at Meadowood on the last Thursday of the month from 2 to 4 p.m. Bring your own snack, drink and $1 for prizes. You do not need a partner to participate. The first meeting will be on Thursday, October 25.
