Panel Discussion on Opioid Epidemic

Kristin Bishay - CASA  
Elizabeth Bullock - DCS  
Forrest Gilmore - Shalom Center

Kristin Bishay - Director of CASA (Court Appointed Special Advocate)
Kristin trained to become a CASA in 1996 and actively took cases until 2002 when she joined the staff. In 2007 she became the director. She oversees a 13 member staff who recruit, screen, train and supervise adult community members who volunteer their time to serve as advocates to child victims, ensuring they remain at the forefront of the court proceedings. CASA volunteers work to find safe permanent homes as quickly as possible. Her office has worked with over 650 children this year.

Elizabeth Bullock DCS - Department of Child Services
Elizabeth oversees a staff of over 55 caseworkers in Monroe County who investigate allegations of abuse and/or neglect. The caseworkers work with families to prevent unnecessary separation by identifying problems and assisting families in solving them. They work to return children who have been removed from their homes to their families through services to the child and family. The current case load in Monroe County is over 550 children.

Reverend Forrest Gilmore - Shalom Community Center
Reverend Forrest Gilmore has led the Shalom Community Center (a resource center for people experiencing extreme poverty) as its Executive Director since April of 2011 and as Assistant Director prior to that from January 2010. In his tenure as Executive Director, the organization has quintupled in size to a 1.8 million dollar annual budget with a staff of 27. The program expansion has included two Housing First Permanent Supportive Housing Programs for disabled, chronically homeless individuals and families, a rapid re-housing program for working, homeless families, a street outreach program, expansion of the day shelter to 7 days per week, and the addition of an overnight shelter. Prior to Gilmore’s work at Shalom, he served as minister to congregations in Carmel, CA and Princeton, NJ. He is an ordained Unitarian minister with a special passion for social justice grounded in organizational excellence.

There will be no meal served in the University Club. After the panel discussion, those who desire can go for lunch at the Tudor Room. Lunch will be on your own.

Reservations are required. Please call the office so we know how many chairs to set for the presentation and call in a group reservation for the Tudor Room.

Taylor Busse
Nutrition Science
Senior, graduating May 2019

My plans after college are unknown currently. I would like to get into research & development for upcoming food products. I have worked in three separate departments at the union since my freshman year. I started at Starbucks for a year, then moved to catering for the next two years and now going into my senior year I have a culinary internship here.

I love the union because it is the heart of campus. So many events go on here that everyone has a special memory associated.

Receiving a scholarship from the union displays an award to both my forms of hard work. I put in at least 20 hours a week at work to pay for the hard work I do at school. This can make fitting everything in a challenge, but when I am recognized for it by foundations such as the University Club, it makes it all worth it. Thank you so much for all your help and the honor of being a scholarship recipient.

Jessie Wang

I am currently a SPEA student and my major is Law and Public Policy. It might change in the future. I am planning on either switching to Environmental Management or create my own major, Gastronomy.

I officially started IU at Fall 2017. I was taking classes at Ivy tech during the summer of 2017. My plan is to graduate by 2022. However, due to working full-time and/or consider getting a Master’s degree. It might delay me a year or two.

My initial plan is to become an immigration and GLBTQ+ rights lawyer. However, my future is constantly changing and uncertain due to political climate and personal interest. I’m taking a day by day approach and fight to see what I can do to make it change. On a lighter note, I would really like to travel outside the states and see what the world is like after IU.

I work in the Catering department for almost two years. Receiving this scholarship relieves my financial stress from tuition and it is also a recognition that there are people out there who see talent and are willing to help and support minority groups like me. This is my first official job after obtaining DACA. It opened many doors for me – it allowed me to go back to school, earn a stable income, have health insurance, retirement account, work and life balance, and many more. I learned how to interact with people in professional and private settings, as well as learning leadership and time management skills.

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye). The Mah Jongg group meets each Friday. For more information, please contact the group chair.

Currently we have two tables of Mah Jongg and are open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.

EUCHRE

NEW group this year!

Euchre is a trick-taking card game most commonly played with four people in two partnerships with a deck of 24, 28 or sometimes 32 standard playing cards. It is the game responsible for introducing the joker into modern packs; this was invented around 1860 to act as a top trump or best Bower. It is believed to be closely related to the French game Écarté that was popularized in the United States by the Cornish and Pennsylvania Dutch and to the seventeenth-century game of bad repute Loo.

The group will meet at Meadowood on the last Thursday of the month from 2 to 4 p.m. Bring your own snack, drink and $1 for prizes. You do not need a partner to participate.
