One of those was Steve Tesich who would write the screenplay for Breaking Away and use Blase as the model for cinematic cycling hero Dave Stohler.

The University Club has a long tradition of fostering collegiality among its members and the campus community. For over a decade (15 years), *The University Club Scholarship Endowment Fund* continues to grow and provides much needed assistance to our excellent Indiana Memorial Union student employees. Thanks to your continued generous support, the scholarship fund is generating an annual income of $2400.00. This year we chose to spend down some of the accumulated income with the annual income to award three (3) $1,000.00 scholarships.

"I love the Union and how it is the heart of the campus. Being recognized by the University Club is such an honor and I thank you for your support."

~Taylor Busse, 2018-19 scholarship recipient, IU Dining catering employee

Taylor’s words highlight just how important this scholarship is to the lives of our Indiana University students. With the average cost of attendance at $24,784 for an in-state student and $48,642 for an out-of-state student, you are helping lift the financial burden that some students feel. We would like your help to continue growing the endowment. We are writing to you today to ask if you would consider a gift to *The University Club Scholarship Endowment Fund*.

Contributions may be tax-deductible on federal tax returns and may be eligible for the Indiana College Credit on state tax returns, depending on your personal circumstances. Because of the historic nature of IU’s approaching bicentennial, donors are also making gifts of stock, life insurance, or life income gift plans (charitable gift annuities, trusts, etc.) through their estate. For assistance with estate planning, please contact: Dave Spencer, Development Director, at daaspenc@indiana.edu or (812) 856-7805 for further information.

Please join me in reaching out to the most important segment of our community, our students. On the enclosed form (page 7), please indicate how you would like to support the University Club Scholarship. Checks should be made payable and mailed directly to IU Foundation.

With great thanks and warm wishes,

Sincerely,

Susan Platter

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye).

The Mah Jongg group is now meeting on every other Tuesday from 3 - 5 p.m. and some Friday mornings from 9:30 to 11:30. To add your name to the list, email Kathleen Boggess (Kboggess44@gmail.com) or call 812-361-7332 OR email Martha Dogan (msdogan55@gmail.com).

Currently we have two tables of Mah Jongg and are open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.

NEW group this year!

EUCHRE

Euchre is a trick-taking card game most commonly played with four people in two partnerships with a deck of 24, 28 or sometimes 32 standard playing cards. It is the game responsible for introducing the joker into modern packs; this was invented around 1860 to act as a top trump or best Bower. It is believed to be closely related to the French game Écarté that was popularized in the United States by the Cornish and Pennsylvania Dutch and to the seventeenth-century game of bad repute Loo.

The group will meet at Meadowood on the last Thursday of the month from 2 to 4 p.m. Bring your own snack, drink and $1 for prizes. You do not need a partner to participate.
