It took almost two years and numerous meetings to plan! Thanks to the tireless work by the conference chairs, Kathleen Boggess and Marilyn Minor, and committee members, Mytri Acharya, Cindy York and Linda Burton, we hosted a memorable event. Over 35 attendees from other Big 10 universities attended to exchange information, ideas, participate in many discussions and learn about other club’s achievements and challenges.

A big THANK YOU to all hostesses for assisting each participating Women’s Club, to the University Club board members for providing refreshments for the various meetings and receptions.

Thank you Tammy Chatham with University Events and Nora Kline with IU Conferences for coordinating and piecing in the entire conference together. We couldn’t have done it without you!

This was the second time the conference was held at Indiana University. It was hosted here for the first time in 1997. The University Club of Iowa will welcome attendees for the next conference in 2021. It will be our turn again in 2041!

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.

The Mah Jongg group will meet informally during the summer depending on member’s availability to play. Please keep an eye on your inbox. The co-chairs will coordinate possible playing times and dates via email.
