The University Women’s Club Big Ten Conference was a great time of sharing and learning for all participants. One of the many topics were Interest Groups. Our University Club currently has 14 Interest Groups, with varying degrees of activity. While this may seem like a lot, we discovered most schools were in the 25-40 range.

Sign-ups for the Interest Groups occurs each year at our Fall Luncheon. This year this will be on Thursday, September 12 at 11 a.m. Now would be a great time to grab a friend and start a new group!

Here are some of the more popular groups from our other Big Ten friends:

- Walking - we already have some early interest in this group
- Bunco - second group currently in progress of starting
- Ballroom dance - currently in the process of starting
- Theater - planned theater outings with dessert and coffee after to discuss. The group met monthly and used both campus theater groups, community theater and auditorium theater.
- Cinema - two different versions. One was a Sunday movie with a meeting afterwards to discuss. They chose three movies on Friday and voted which one to see by Saturday evening. The other group viewed a classic movie or a movie genre over meetings and discussed afterwards. Members provided refreshments. This one could happen at the U-Club upstairs.
- Hoosier Hysteria - (Penn State called it Lion Pride) group went to a variety of sporting events to expose people to more sports - swimming, wrestling, volleyball, track etc. They also had programs touring the various athletic facilities.
- Travel - people interested in planning trips of their own. Members share information about places they have been with members planning to go there. Valuable for hotel, attractions, local travel and dining tips.
- Gardening
- Food and Wine - One group paired wines from a country or a region of the US with the food from the same place. The other selected 6 wines - 2 inexpensive, 2 medium, 2 higher end and did a blind tasting. Everyone brought their own glasses and the cost was about $10 per person.
- Arts and Crafts
- In-Stitches-knitting, crocheting and needlework- bring your own project and socialize
- Quilting
- Scrabble
- Pickleball - fastest growing sport in America
- Food Around the World - dining in homes focusing on different countries

In order to seek participants for the new group you will need:

- Chair or co-chairs responsible for the group (always more fun with a friend)
- Share a meeting time, place and any fees associated
- Set up the initial plan, curriculum, to present to prospective participants
- Host a table at the Fall Luncheon to present details and answer questions to prospective participants.

We currently have an imbalance of Interest Groups during the day, effectively eliminating the participation of any of our working members. Please consider evenings and weekends if you are interested in beginning a new group.

If you have any questions or need more information, please contact Carol Pierce, VP of University Women’s Club Board, in charge of Interest Groups at cmepierce0@gmail.com or 812-650-1149 or Cindy York, President of the University Women’s Club at cookie2852@aol.com or 812-333-4729.
Thanks to the tireless work by the conference chairs, Kathleen Boggess and Marilyn Minor, and committee members, Mytri Acharya, Cindy York and Linda Burton, we hosted a memorable event. Over 35 women from other Big 10 universities attended to exchange information, ideas, participate in many discussions and learn about other club’s achievements and challenges.

A big THANK YOU to all hostesses for assisting each participating Women’s Club, to the University Club board members for providing refreshments for the various meetings and receptions.

Thank you Tammy Chatham with University Events and Nora Kline with IU Conferences for coordinating and piecing in the entire conference together. We couldn’t have done it without you!

The University Club of Iowa will welcome attendees for the next conference in 2021. It will be our turn again in 2041!
The interest groups are the HEART of the University Club and the BEST membership benefit of all!

University Club Members in good standing are eligible to participate in as many interest groups as they wish.

Members can sign up for the Interest Groups at the Fall Luncheon on Thursday, September 12, 11 a.m. at St. Mark’s United Methodist Church

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form 4 melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are playing American style but may approach Chinese style later.

The Mah Jongg group will meet informally during the summer depending on member’s availability to play. Please keep an eye on your inbox. The co-chairs will coordinate possible playing times and dates via email.

It has long been a popular Indiana and Midwestern game.
