Adverse or Unsafe Working Conditions

A. Scope
This policy applies to all Staff employees.

B. Policy Statement

1. There may be times when the physical conditions of a workplace make it impossible or impractical for employees to work in their usual work location. Adverse or unsafe conditions could affect a specific building, part of a building, an area of campus, or an entire campus [Working Through Adverse Working Conditions Pol 1.]

2. In such circumstances and with the proper approvals, affected employees can be reassigned or released from work subject to the procedures described below. [Working Through Adverse Working Conditions Pol 2.]

C. Procedures

1. Reassignment or release from work due to adverse or unsafe working conditions [Working Through Adverse Working Conditions Pro 1.]
   a. Based on an assessment of adverse or unsafe working conditions, the chancellor, provost, or appropriate vice president may direct employees to work in another location or may close the workplace by directing employees not to report to work and/or by releasing those affected employees who are already at work. To the extent that unsafe or adverse working conditions can be anticipated, employees will be given advance notice not to report to work. Pay and leave issues will be addressed in all cases in accordance with this policy. [Working Through Adverse Working Conditions Pro 1.a. in part]
b. The chancellor, provost, or appropriate vice president has the authority to close a specific building or part of a building, an area of a campus, or an entire campus. Management will use its best efforts to designate and communicate the closing and reopening times.

c. During the period that a workplace is closed, the university will attempt to resolve the adverse or unsafe working condition or identify alternative work locations and arrangements so that employees are able to return to work as soon as possible. The university retains the right to assign a person to a different work location at its discretion.

d. If the adverse or unsafe working condition is limited to a specific building, part of a building, or to a specific area of a campus, and other portions of the campus remain open, employees who do work during such periods will receive their regular rate of pay. This includes employees assigned to rectify, repair, or otherwise perform work related to the situation.

e. If the situation is widespread and severe such that the entire campus is closed, emergency Support and Service Staff who are required to work will receive their regular rate of pay plus time and one-half additional time or pay, as determined by the department head. Professional Staff will receive their regular rate of pay.

i. It is the responsibility of the department head to designate which jobs, if any, are subject to emergency work requirements.
2. Closing of a workplace for up to five working days [Working Through Adverse Working Conditions Pro 2.]

   a. If a workplace is closed pursuant to this policy, the affected employees who were scheduled to work and were not at work solely because of the adverse working conditions will incur no loss of pay and will not be required to cover any absences due to the closing for up to five working days. The absence is to be coded as Adverse Working Conditions (ADW). Employees who were not scheduled to work or were not at work because of such reasons as vacation, holiday, sick time, funeral, or leave of any type whether paid or unpaid, will continue in that status and their absence will be coded according to the particular reason for the absence. [Working Through Adverse Working Conditions Pro 2.a. in part] [Working Through Adverse Working Conditions Pro 2.a.i. in part]

   b. Any portion of an employee's regular workday counts as one day for the purposes of this policy. [Working Through Adverse Working Conditions Pro 2.b.]

3. Closings that extend beyond five working days [Working Through Adverse Working Conditions Pro 3.]

   a. Whenever a workplace is closed pursuant to this policy for more than five working days, Support and Service Staff must cover any additional time away from work using one or more of the following: [Working Through Adverse Working Conditions Pro 3.a.]

      i. Accrued vacation, holiday, or income protection time [Working Through Adverse Working Conditions Pro 3.a.i.]

      ii. Accrued compensatory time [Working Through Adverse Working Conditions Pro 3.a.ii.]

      iii. Absence without pay and with benefit accrual (AWB) [Working Through Adverse Working Conditions Pro 3.a.iii.]

      iv. With department head approval, work at a different location on or off campus [Working Through Adverse Working Conditions Pro 3.a.iv.]
v. With department head approval, make up the time on an hour-for-hour basis within the same workweek of the absence. Hours made up in addition to 40 hours in pay status in a workweek are subject to overtime compensation. [Working Through Adverse Working Conditions Pro 3.a.v.]

b. Whenever a workplace is closed pursuant to this policy for more than five working days, Professional Staff must cover any additional time away from work using one or more of the following: [Working Through Adverse Working Conditions Pro 3. And its subparts]

i. Accrued paid time off or sick leave account time (in full days for PAE Staff and hour-for-hour for PAO and PAU Staff).

ii. Accrued compensatory time for PAO Staff.

iii. Absence without pay and with benefit accrual (AWB).

iv. With department head approval, work at a different location on or off campus.

v. With department head approval, PAO and PAU Staff may make up time on an hour-for-hour basis in the same work week of the absence. Hours made up in addition to 40 hours in pay status in a workweek are subject to overtime compensation.

c. The use of any type of paid time off to cover time away due to adverse or unsafe working conditions does not count against the maximum amount that can be used in a calendar year. [Working Through Adverse Working Conditions Pro 3.b.]

D. Definitions

1. Adverse or unsafe working conditions covered by this policy are physical conditions of a workplace that make it impossible or impractical for employees to work in their usual work location. Examples of adverse or unsafe conditions are loss of heat or electricity, damaged buildings, restricted access to an area of campus due to flooding or tornado damage, or situations that implicate personal safety.

5. Each holiday is considered to be eight hours for full-time appointed staff and is a lesser amount, as prorated by FTE, for part-time appointed staff. [Holidays Pol 5.]

6. If an employee does not work on the holiday, the current holiday must be used for that day. A previously accrued holiday or other paid time off cannot be used in lieu of the current holiday. [Holidays Pol 6.]

7. Time off for a holiday cannot be given in advance of the date on which the holiday falls. [Holidays Pol 7.]

C. Procedures

1. To be eligible to receive pay for a university holiday, an employee must meet both of the criteria listed below: [Holidays Pro 2.]

   a. Be on appointment of 50 percent FTE or greater on or prior to the holiday [Holidays Pro 2.a.i.]

   b. Be in Active Status (Employee Status “A” in HRMS) or on a Partial Leave of Absence with a reduced FTE (Employee Status “P” in HRMS) on the day on which the University observes the holiday (March 1 for the Campus Holiday). [Holidays Pro 2.i.]

2. Staff in the following Employee Status categories in HRMS on the day that the University observes the holiday do not receive pay for the holiday: [Holidays Pro 3.]

3. Employees appointed or returning from a leave of absence on the day following a holiday do not receive pay for the holiday. [Holidays Pro 4.]
4. Appointments should not be made effective for the day on which a holiday is observed. This does not apply to the March 1 accrual date for the Campus Holiday. [Holidays Pro 5.]

5. Employees who work alternative work schedules, such as four ten hour days, will receive eight hours of pay for a holiday. In this example, Staff are required to cover the other two hours missed with time-off benefits, make up the time within the same work week with supervisory approval, or take the time off without pay. [Holidays Pro 6. In part]

6. When holidays are observed [Holidays Pro 1.]
   a. If a legal holiday falls on a Sunday, the holiday is observed on the Monday immediately following. [Holidays Pro 1.a.]
   b. If a legal holiday falls on a Saturday, the holiday is observed on the Friday immediately preceding. [Holidays Pro 1.b.]
   c. The Campus Holiday may be a floating holiday or set on a designated date, according to local campus option. The president at the Bloomington campus and the chancellors at the other campuses shall determine whether the Campus Holiday shall be observed by all campus employees on a date designated by the chancellor or shall be a "floating" holiday that may be observed at the employee's option provided prior approval is obtained and the employees shall be notified of the determination. [Holidays Pro 1.c.] [Holidays Pro 1.c.i.]
   d. Employees who are scheduled off on the day on which the University observes a holiday, but who are scheduled to work on the day on which the legal holiday falls, will have the day on which the legal holiday falls as the premium paid day. If an employee is scheduled to work both days, the day on which the legal holiday falls will be the premium paid day. [Holidays Pro 8.]
   e. An employee whose regular day off is both the observed and the legal holiday, will receive eight (8) hours off with pay at a mutually agreeable date except that it must be used by the end of the last full pay period in December of the next year and is not paid if not used. [Holidays Pro 9. And its subparts]

7. Compensation when observed holidays are worked: [Holidays Pro 7.]
a. When it is necessary for employees to work on a holiday, the following principles are applicable. [Holidays Pro 7.a.]

i. Excluding a floating Campus Holiday, Martin Luther King Day, and the Friday After Thanksgiving, Staff, in addition to their regular pay, receive time off at a time and one-half rate, or are paid at time and one half rate. The decision on payment or time off is left with the department head. The total compensation for working a full 8 hours on a holiday other than the three listed below is 20 hours. [Holidays Pro 7.a.i and its subparts]

ii. A floating Campus Holiday, Martin Luther King Day, and Friday After Thanksgiving are not premium days for pay purposes. 1. In twenty-four hour, seven-day week operations (Central Heating Plant at Bloomington), the department head will have the option of time off or pay. In all other areas, the choice of time off or pay is the employee's. [Holiday 7.b.i.third dot]

Policy Contact: University Human Resources

A. Scope
This policy applies to Staff and Temporary employees who are covered by federal Fair Labor Standards Act (FLSA) overtime pay provisions, including Support, Service, and Professional Overtime Staff and all Temporary employees.

B. Policy Statement

1. The Fair Labor Standards Act (FLSA) requires that covered employees receive overtime pay for work over 40 hours in a workweek. All Support, Service, and Professional Overtime (PAO and PAU) Staff and all Temporary employees are covered by the FLSA overtime pay provisions. Professional Exempt (PAE) Staff are not covered by FLSA overtime provisions and are not eligible for overtime pay under University policy. [Overtime Pol 1. in part] [Overtime Pol 1.a. in part]

2. For Support, Service, and PAO Staff employees, overtime pay must be compensated at a time and one-half rate in the form of extra pay or compensatory time-off. It is management’s choice as to which form of overtime pay is used and the decision should be announced to the employee before the overtime is worked. For covered PAU Staff, overtime pay must be compensated at an additional half time rate in the form of extra pay. Compensatory time-off does not apply to PAU Staff. Employees must have supervisory permission to work overtime. [Overtime Pol 3. in part] [Overtime Pol 5. in part]

7. Although mandatory overtime is discouraged, it is expected that employees will accept reasonable assignments to work overtime except where cases of personal emergency exist. It is the employee’s responsibility to bring to the supervisor’s attention the nature of a personal emergency so that the supervisor can make a decision to require the overtime work or not. [Overtime Pol 4.]

C. Reason for Policy
The Fair Labor Standards Act is complex with a long history of federal regulations and rulings written to explain and aid in the application of the act. This policy provides University managers and supervisors with directions necessary to comply with overtime pay provisions of FLSA. [Overtime Reason for Policy]
D. Procedures

1. Assigning overtime work for Support, Service, and Professional Overtime (PAO and PAU) Staff and Temporary employees

   a. When overtime work is scheduled in advance, departments should:
      [Overtime Pro Assigning Overtime Work 1.]

      i. Schedule qualified Staff employees so that they rotate turns
         having the opportunity to work the hours; and [Overtime Pro
         Assigning Overtime Work 1.a.]

      ii. Schedule qualified Staff employees according to their seniority
          within an occupational unit. [Overtime Pro Assigning Overtime
          Work 1.b.]

      iii. This provision does not apply when the assignment is for time
           immediately before or after the Staff employee’s regular hours
           and the work is the continuation of the employee’s regular work
           assignment. [Overtime Pro Assigning Overtime Work 1.b.i.]

      iv. As a general rule, employees in the CTC program on the
          Bloomington campus will not be assigned to work scheduled
          overtime until all qualified appointed SM employees in the unit
          have been asked to work. This provision shall not apply to
          continuation overtime i.e., overtime that occurs before or after
          an employee's regular scheduled shift.

      v. Departments may have other overtime assignment arrangements
         for which there are long-standing practices and mutual, written
         agreements between management and a union which are
         recognized by the parties. [Overtime Pro Assigning Overtime
         Work 1.c.]

   b. All qualified Staff employees in an occupational unit will be
      provided the opportunity to work the overtime before the assignment
      is offered to a Temporary employee for whom the assignment would
      be overtime. [Overtime Pro Assigning Overtime Work 2.]

   c. When selecting a Staff or Temporary employee to work the
      assignment, it is the department's prerogative to determine whether
an employee is qualified and can satisfactorily perform the required work. [Overtime Pro Assigning Overtime Work 3.]

2. Paid time-off that counts toward overtime pay for Staff employees

   a. The following five categories of paid-time-off count as part of the 40 hours in a week to determine if overtime pay is applicable and the amount of overtime pay that is due. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.]

   i. Adverse Weather – Used only when the administration closes a campus due to adverse weather. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.a.]

   ii. Adverse Working Conditions – Used only when a Chancellor, Provost, or Vice President closes all or part of a campus due to adverse working conditions. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.b.]

   iii. Emergency Rest Time – Used only for Service Maintenance Staff employees at Bloomington who have worked for more than 16 continuous hours and who are required to take time off from work immediately after the emergency has ended to ensure an adequate break from work for safety purposes. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.c.]

   iv. Holiday – Used whenever any holiday time is taken, including on the day observed (HOL) and at a later time (HTK). Campus Holiday is included. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.d.]

   v. Injury with pay-1st 7 days – Used to cover the time when the University is paying the employee’s full salary during the first seven calendar days of the injury. This benefit is limited to a total of 40 hours of INJ time per year. The other injury related time off codes will not count towards overtime. [Overtime Pro Overtime Paid time-off that counts toward overtime 1.e.]

   b. All other categories of paid time off do not count as part of the 40 hours in a week to determine if overtime pay is applicable. [Overtime Pro Overtime Paid time-off that counts toward overtime 2.]
c. When an employee uses paid time off applied to any of these other categories (vacation, sick, PTO, etc.), there may be hours worked outside of the employee’s regular schedule that do not qualify to be paid as overtime. These hours worked will be compensated at a straight time rate either in the form of pay or compensatory time off at the department’s choice. Two new payroll codes have been developed to use for these hours: [Overtime Pro Overtime Paid time-off that counts toward overtime 3.]

- NEP Non-overtime eligible pay [Overtime Pro Overtime Paid time-off that counts toward overtime 3.a.]
- NEC Non-overtime eligible comp time (no pay) [Overtime Pro Overtime Paid time-off that counts toward overtime 3.b.]

d. In units that permit flexible or alternate work schedules, adjustments may occur in the number of hours applied to time off. If a department has given the employee a flexible scheduling option or an arrangement is made prior to taking the time off the amount of time applied to vacation, sick, PTO or absent without pay time may be reduced so that the total of time off and time worked equals 40 hours with no NEP or NEC time. [Overtime Pro Overtime Paid time-off that counts toward overtime 4.]

3. Compensation for overtime work for Support, Service, and PAO Staff

a. Support, Service, and PAO Staff must receive overtime compensation for hours worked in excess of 40 hours in a week. The overtime compensation shall be at a time and one half rate either in the form of pay or compensatory time off. Compensatory time off is subject to the rules contained in paragraph D.6. below. [Overtime Pro Overtime Compensation for overtime SS, Temp and PAO 1.]

b. The rate used to determine the time and one half rate will be calculated to include any temporary pay, bonus pay, or other pay that the employee received during the week in which the hours over 40 were worked. [Overtime Pro Overtime Compensation for overtime SS, Temp and PAO 2.]

4. Compensation for overtime work for PAU Staff
a. Staff classified as Professional Salaried-Overtime-Eligible (PAU) must receive compensation for hours worked over 40 in a week at a rate equal to half time the rate for the work performed. This compensation must be in the form of additional pay. Compensatory time off does not apply to PAU Staff. [Overtime Pro Overtime Compensation for overtime PAU 1.a.] [Overtime Pro Overtime Compensation for overtime PAU 1.b. in spirit]

b. The rate used to determine the half time rate will be adjusted upward to include any temporary pay, bonus pay, or other pay that the employee received during the week in which the hours over 40 were worked. [Overtime Pro Overtime Compensation for overtime PAU 2.]

5. Compensation for overtime work for Temporary employees
Temporary employees receive overtime pay at the rate of time and one half for the overtime work performed for hours worked in excess of 40 hours per workweek. Compensatory time off does not apply to Temporary employees. [Overtime Pro Overtime Compensation for overtime SS, Temp and PAO 1.a.]

6. Rules related to compensatory time off for Support, Service, and PAO Staff (Compensatory time off does not apply to PAU and Temporary employees)
   a. Support and Service Staff employees should not accumulate more than 80 hours of compensatory time. [Overtime Pro Overtime Rules related to SS, and PAO 2.]
   b. Staff classified as Professional Overtime Eligible (PAO) should not accumulate more than 160 hours of compensatory time. [Overtime Pro Overtime Rules related to SS, and PAO 3.]
   c. The campus human resources office may approve higher accumulations for unusual circumstances that are in the University's best interest, up to the FLSA mandated limit of 240 hours. [Overtime Pro Overtime Rules related to SS, and PAO 5.]
   d. Unless a campus has established a different procedure, when the maximum accumulation has been reached, payment at a rate of pay
equal to one and one-half the regular rate for the work performed is the only option until the accumulated compensatory time drops below the limit, and a department may also convert accumulated compensatory time to pay at any time. [Overtime Pro Overtime Rules related to SS, and PAO 7.]

i. For Support Staff at Bloomington and Northwest, all compensatory time off accumulated by an employee in excess of 80 hours on November 1st will be paid in the first pay period following November 1st. At this time, employees may choose to be paid for any accumulated compensatory time between 40 and 80 hours. [Overtime Pro Overtime Rules related to SS, and PAO 6.a.]

ii. For Service Maintenance Staff at Bloomington, any compensatory time off accumulations in excess of 80 hours at the start of the first pay period after January 1st shall be paid or scheduled off at the discretion of the department. [Overtime Pro Overtime Rules related to SS, and PAO 6.b.]

e. Accumulated compensatory time off may be taken whenever it is mutually agreeable with the employee and the supervisor. See the Family and Medical Leave Act (FMLA) Rights policy for the provisions related to the use of compensatory time during an FMLA covered absence. [Overtime Rules related to SS, and PAO 7.]

f. When an employee promotes, demotes or transfers to another department or to a position in the same department not eligible for overtime compensation, any accumulated compensatory time must be granted as time off or pay before the move. [Overtime Pro Overtime Rules related to SS, and PAO 8.]

7. **Finishing up time at the end of a workday for Support, Service, Professional Overtime Staff and Temporary employees**

a. At the end of a workday, employees occasionally need less than 15 minutes to complete their duties. Employees may be compensated for this time by allowing them to arrive to work late or leave work early, on another day of the same workweek. The late arrival or early departure time must not exceed the finishing up time. [Overtime Pro Overtime Finishing up time at the end of a workday 1.]
b. When finishing up time results in more than 40 hours being worked in the workweek, the excess is recorded as overtime at the end of the workweek. [Overtime Pro Overtime Finishing up time at the end of a workday 2.]

8. Secondary employment for Support, Service, and PAO/PAU Staff and Temporary employees

a. A full or part-time Support, Service, and PAO/PAU Staff employee may be employed as a Temporary employee in another department and a Temporary employee may have multiple temporary jobs. [Overtime Pro Overtime Secondary employment 1.]

b. The compensation for overtime when an employee has more than one job will be based on a weighted average calculation for each week of work. This calculation uses the rates of all jobs for which work time was recorded during the week. [Overtime Pro Overtime Secondary employment 2.]

c. For Staff employees with temporary jobs, the overtime will be applied to the time worked in the Temporary job first. Overtime will only be applied to the Staff job when time worked in the Staff job exceeds 40 hours in the week. [Overtime Pro Overtime Secondary employment 3.]

d. For Temporary employees with multiple temporary jobs, the overtime will be applied to the job or jobs worked after exceeding 40 hours of work in the week. [Overtime Pro Overtime Secondary employment 4.]

9. Overtime for supervisory staff

Employees whose responsibility is primarily supervisory should not work overtime-nor assign themselves to work overtime unless the supervisory function is required for the overtime work. If sufficient Support or Service Staff are not available, a GS Staff member may be scheduled to perform the required work. [Overtime Pro Overtime for supervisory staff 1.]

10. Departmental and employee responsibilities

a. Departments are responsible for: [Overtime Pro Overtime Dept and emp responsibilities 1.]
i. Maintaining records of overtime worked and compensatory time earned and used. [Overtime Pro Overtime Dept and emp responsibilities 1.a.]

ii. Reporting overtime worked and compensatory time earned and used on the university provided records. [Overtime Pro Overtime Dept and emp responsibilities 1.b.]

b. Employees are responsible for: [Overtime Pro Overtime Dept and emp responsibilities 2.]

i. Obtaining supervisory authorization before working any overtime. [Overtime Pro Overtime Dept and emp responsibilities 2.a.]

ii. Keeping an accurate record of actual time worked. Time is to be recorded daily or weekly as provided for on the university provided records. [Overtime Pro Overtime Dept and emp responsibilities 2.b.]

E. Definitions

1. The University's workweek is defined as beginning and ending at 12:00 midnight on Saturday.

2. Overtime is defined as hours worked in excess of 40 hours in a workweek.

B. Policy Statement

1. It is the policy of the University to support the efforts of earnest and self-motivated Police Service employees to advance in employment by acquiring and/or improving those skills that would qualify them for higher-level positions in the Professional functional classification. [Selection & Filling Pol 3.]

2. Employees interested in promotion or transfer must keep their employment skills inventories up-to-date with the campus Human Resources office.

3. As one university-wide department, successful upward mobility for employees within the IU Police Department may be accomplished through a promotion within the campus or by transfer and promotion to another campus. Consequently, managers and supervisors are expected to consider employees for promotion on their own campus and to allow them opportunities to seek transfers to other campuses. An atmosphere conducive to exploring promotion or transfer must be maintained. [Selection & Filling Pro Gen Procedures 4.]

C. Procedures

1. The University Director of Public Safety office will send an email notification of Police Service Staff position vacancies to current Police Service Staff employees. 4. Unless otherwise mutually agreed to by management, employee, and the union, and except for openings occurring in jobs of a unique nature requiring unusual skills and abilities, an employee must work on a job for the following times:

a. Three (3) months before requesting a promotion to another job
b. Six (6) months before requesting a transfer to another job

5. See the Position Classification policy provisions for moving to a lower classified position. [Pay/Salary Setting Pro Demotions Pay/Salary impact 1.a. in part] [Pay/Salary

prior approval to a less senior employee for the same time period, the prior approval is honored. [Vacation Pro 2.e.]

d. When vacation time is taken, the exact number of hours, including tenths of hours, are reported and subtracted from accumulated earnings. [Vacation Pro 1.b.]

e. The maximum vacation hours that may be used during the 26 consecutive pay periods beginning with the pay period in which January 1 falls and continuing through the last full pay period in December (less for part-time employees and prorated by FTE) are as follows: [Vacation Pro 4.a.]

i. 304 hours in years of service 0 through 13 [Vacation Pro 4.a.]

ii. 784 hours in years of service 14 and beyond [Vacation Pro 4.a.]

iii. Vacation hours used during a Family Medical Leave of Absence (FMLA) do not count toward the maximum annual usage [Vacation Pro 4.a.i.]

f. New Staff employees may use accumulated vacation time after receipt of their first paycheck. [Vacation Pro 1.a.]

g. Unused hours are accumulated from year to year. Pay can be received for unused vacation at time of separation and is explained in the Separation Pay policy [Vacation Pol 4.]

h. Employees who wish to use accumulated vacation causing a lengthy absence from work should make their intentions known to the supervisor six months prior to the planned vacation period. Supervisors are obligated to honor these requests unless the request is for time off in the unit’s established and known peak work period in which non-emergency time off is routinely restricted or more than one employee requests the same time period. If more than one request is received, occupational unit seniority prevails in determining which employee's request will be honored. [Vacation 3. And its subparts]

i. Vacation cannot be used before it has been earned with one exception: if a new employee has not earned enough vacation to
cover a department’s closing between Christmas and New Year holidays. [Vacation Pro 1.c.]

2. Personal emergency
   a. Employees who encounter a personal emergency and who have unused income protection time, unused vacation time, and/or unused compensatory time off may elect to charge time off for personal emergency to any of these three categories of time. [Vacations Pro 6. In part]
   b. These events will typically be unforeseen, will require immediate action, and are beyond the employee’s control. [Attendance Absence and Personal Emergency Pro D.1.]
   c. The employee must notify the supervisor as soon as possible as to the reason and the expected time of return. [Attendance Absence and Personal Emergency Pro D.2.]
   d. The employee may be required to provide documentation on the nature and circumstances of the absence. [Attendance Absence and Personal Emergency Pro D.3.]

3. Converting Income Protection Time to vacation
   a. Eligible employees may, if they choose, convert 80 hours of their accrued income protection time to 40 vacation hours subject to the following limitations and conditions. [Vacation Pro 5.a.]
   b. Eligibility is limited to employees who meet all of the following criteria: [Vacation Pro 5.a.]
      i. Have 560 or more hours of accumulated income protection (sick) time as of the first full pay period in either March or September of any qualifying year [Vacation Pro 5.a.i.]
      ii. Have at least ten consecutive years in an appointed position [Vacation Pro 5.a.ii.]

A. Scope
This policy applies to all Police Service Staff employees at Bloomington, IUPUI, and South Bend.

B. Policy Statement
1. Workweek and work schedules
   a. The workweek for all campuses and departments begins and ends at 12:00 midnight on Saturday. [Alternative Work Schedules Pol 2.] [Work Schedules and Hours Pol Work Schedules.1.]
   b. The basic full-time work schedule normally consists of 40 hours in each workweek. Schedules different than 40 hours per week are to be approved by the campus Human Resource office with written notification to campus Payroll. [Work Schedules and Hours Pol Work Schedules 2.b.]
   c. Every effort will be made not to schedule an employee for more than 16 consecutive hours. [Work Schedules and Hours Pol Work Schedules 6.]

2. Rest periods
   a. Police Service staff are permitted to take rest periods which would normally be 15 minutes during each half day of work including overtime periods when possible. [Work Schedules and Hours Pol Rest Periods 1.]
   b. Time allowed for rest periods is not accumulative and is not intended to cover late arrival or early departure. [Work Schedules and Hours Pol Rest Periods 3. in part]

3. Meal breaks
a. By mutual agreement between the Police Service staff and the IU Police Department, an officer who works more than six consecutive hours will receive a paid meal break that is built into the shift. Police Service employees are expected to be available at all times during the meal break. [Work Schedules and Hours Pol Meal Breaks 1.]

4. Shift preference for vacancies

a. Shift preference, for job openings (as described in the Advertising Job Openings policy) having identical duties and responsibilities, is given in order of occupational unit seniority. This is not applicable in units where the practice is to rotate shift assignments on some regularized basis. [Work Schedules and Hours Pol Shift Preference 1.]

b. In the event that a campus department utilizes a shift bid process when assigning Police Service Staff shifts at that campus the following must occur: [Work Schedules and Hours Pol Shift Preference 1.b.]

   i. The shift bid process will take place at least annually. [Work Schedules and Hours Pol Shift Preference 1.b.i.]

   ii. The shift bid results must be provided to employees at least 60 days prior to the shift effective dates. [Work Schedules and Hours Pol Shift Preference 1.b.ii.]

   iii. The shift bid priority is based on occupational unit seniority (which includes occupational seniority of transferred employees). [Work Schedules and Hours Pol Shift Preference 1.b.iii.]

5. Time clocks

a. All Police Service employees will use time clocks or the equivalent electronic system that the university provides to clock in and out if it is available where the employee normally works. [Work Schedules and Hours Pol Recordkeeping 2. in spirit]

6. Flex Time
a. Indiana University encourages operating units to accommodate the childcare, family care, and other personal needs of employees to the extent possible and consistent with the requirements of the operating unit. See the Procedures section for the details for considering a flex time request. [Alternative Work Schedules Pol 1.]

C. Procedures

1. **Recordkeeping responsibilities**
   a. Weekly work schedules should be documented and maintained with other payroll-related records within the department. [Work Schedules and Hours Pol Recordkeeping 1.]
   b. It is each employee’s responsibility to accurately record all hours worked on the university-provided timekeeping device or form. [Work Schedules and Hours Pol Recordkeeping 2. in part]
   c. It is each department’s responsibility to maintain a record of all hours worked. [Work Schedules and Hours Pol Recordkeeping 4.]
   d. Each employee must submit the recorded time to his or her supervisor for approval. The supervisor is responsible for verifying the accuracy of the time submitted. [Work Schedules and Hours Pol Recordkeeping 3]

2. **Flex Time**
   a. Flex time refers to a change in a work schedule for a single event or series of events that may span several months, but is not a permanent change of a work schedule. [Alternative Work Schedules Pol 7.b.i.]
   b. The decision to grant a request for flex time is the sole discretion of the university. It is not required that flex time be uniformly available to all positions in a department or operating unit. Not every function is conducive to flex time because of the requirements of operating units. This should not deter supervisors from approving a flex time request for positions where such scheduling can be accommodated. [Alternative Work Schedules Pol 4.]
   c. Flex time does not alter the responsibility and authority of department heads to establish and change work schedules as
described in the Work Schedules, Hours, Uniforms policy and the Overtime policy. An operating unit that has granted a flex time request may discontinue or alter the arrangement if work needs change or if service is impaired. [Alternative Work Schedules Pol 5. in part] [Alternative Work Schedules Pro 2. in part]

d. Flex time is a special arrangement and a privilege and is not subject to the grievance procedure.

e. When an employee desires a change in work schedule, the employee will submit the request in writing to the Department Head, or designee, at least 24 hours in advance of the event or beginning of the series of events for which the request is made. [Alternative Work Schedules Pro Requesting 2.b.]

f. Conditions for granting a flex time request include:

i. The requested flex time must not interfere with the efficient operation of the university nor adversely affect the services that are provided to students, other operating units, or the public. [Alternative Work Schedules Pro Criteria 1.c.]

ii. The quantity, quality, and timeliness of employee work must be maintained. [Alternative Work Schedules Pro Criteria 1.d.]

iii. Adequate supervision and employee accountability must be maintained. [Alternative Work Schedules Pro Criteria 1.e.]

iv. Flex time must not cause or contribute to the need for additional staff or overtime work. [Alternative Work Schedules Pro Criteria 1.f.]

v. Rest periods are a normal part of the paid work schedule. Time allowed for rest periods is not cumulative, and therefore cannot be incorporated into a flex time request. [Alternative Work Schedules Pro Criteria 1.g.]

3. Off campus work

a. When a Police Service Staff member is required by his/her department to perform a work assignment, attend class, etc., at a location away from the campus of his/her normal work assignment, the following should be adhered to in determining the employee’s
eligibility for pay: [Work Schedules and Hours Pol Off-campus work 1.]

i. Travel time during normal work hours is work time. [Work Schedules and Hours Pol Off-campus work 1.b.]

ii. Travel time in excess of the time required to travel from the employee's residence to his/her normal work station, provided it is outside of the normal daily work schedule, should be considered as hours worked. [Work Schedules and Hours Pol Off-campus work 1.b.]

iii. Any break in such travel time for meals is not compensable and should be subtracted out of the hours worked. [Work Schedules and Hours Pol Off-campus work 1.g.]

iv. If such travel should require overnight lodging, the time that the employee is free to "come and go" as he/she pleases is not considered as time worked. [Work Schedules and Hours Pol Off-campus work 1.h.]

b. Lectures, meetings and training programs. Approved attendance at lectures, meetings, training programs and similar activities is work time if one or more of the following occur: [Work Schedules and Hours Pol Off-campus work 2.]

i. Attendance is during normal work hours. [Work Schedules and Hours Pol Off-campus work 2.a.]

ii. Attendance is required by the university. [Work Schedules and Hours Pol Off-campus work 2.b.]

iii. The event is work related. [Work Schedules and Hours Pol Off-campus work 2.c.]

iv. University work is performed. [Work Schedules and Hours Pol Off-campus work 2.d.]

4. Uniforms

a. The University will provide Police Service employees with the necessary protective equipment and uniforms consistent with
current law enforcement standards and guidelines. [Uniforms & Personal Protective Equip Pro AFSCME Police on all campuses]
