Each of the four volumes is organized around a central theme of Lin's work. Volume 1 explores the roles played by the concept of polycentricity in the disciplines of public administration, political science, and other forms of political economy. Polycentricity denotes a complex system of governance in which public authorities, citizens, and private organizations work together to establish and enforce the rules that guide their behavior. It encapsulates an approach toward policy analysis that blurs standard disciplinary boundaries between the social sciences.

ABOUT THE EDITORS
Dan H. Cole is professor of law and professor of public and environmental affairs at Indiana University Bloomington, where he also serves on the affiliated faculty of the Vincent and Elinor Ostrom Workshop in Political Theory and Policy Analysis.

Michael D. McGinnis is professor of political science at Indiana University Bloomington. He is a senior research fellow (and former director) of the Vincent and Elinor Ostrom Workshop in Political Theory and Policy Analysis.
