ADDRESSES BASIC NEEDS

Affordable housing is available to community residents
• Figs. 2.1-2.3. Percentage of people age 60+ who want to remain in their current residence and are confident they will be able to afford to do so

Housing is modified to accommodate mobility and safety
• Figs. 3.1-3.4. Percentage of householders age 60+ in housing units with home modification needs

The neighborhood is livable and safe
• Figs. 4.1-4.3. Percentage of people age 60+ who feel safe/unsafe in their neighborhood
• Figs. 5.1-5.9. Percentage of people age 60+ who report few/multiple problems in the neighborhood
• Figs. 6.1-6.3. Percentage of people age 60+ who are satisfied with the neighborhood as a place to live

People have enough to eat
• Fig. 7.1. Percentage of people age 60+ who report cutting the size of or skipping meals due to lack of money

Assistance services are available and residents know how to access them
• Figs. 8.1-8.3. Percentage of people age 60+ who do not know whom to call if they need information about services in their community
• Figs. 9.1-9.3. Percentage of people age 60+ who are aware/unaware of selected services in their community
• Figs. 10.1-10.5. Percentage of people age 60+ with adequate assistance in ADL and/or IADL activities
Percentage of people age 60+ who want to remain in their current residence and are confident they will be able to afford to do so

We asked respondents whether they agree or disagree with the following statement: "What I’d really like to do is stay in my current residence for as long as possible."

For people who answered “agree” we calculated the percentage of adults age 60+ who were very confident/not very confident that they will be able to afford to live in their current residence for as long as they would like.

Note: Percentages may not add up to 100% due to rounding and/or missing information.

*Agree includes those who said Strongly agree or Somewhat agree.

**Not Very Confident includes those who said Somewhat confident, Not too confident, Not confident at all, Don’t know, or Refused.

‡ This percentage is based on fewer than 20 respondents (Unweighted N<20) and should be interpreted with caution.

§ Area 12 includes Dearborn, Jefferson, Ohio, Ripley, and Switzerland Counties.

Percentage of people age 60+ with adequate assistance* in ADL and/or IADL activities

Unweighted N=38
Weighted N=3,105

Unweighted N=302
Weighted N=23,017

No Limitations 87%
One or More ADL/IADL 13%

One or More Unmet Need 56%
All Needs Are Met 44%

*People were asked whether they need assistance with the following activities: ADLs- taking a bath or a shower, dressing, eating, getting in/out of bed/chair, using/getting to a toilet, getting around inside the home and IADLs-going outside the home, doing light housework, preparing meals, driving a car/using public transportation, taking the right amount of prescribed medication, keeping track of money and bills.

*People who answered “yes” were asked whether they get enough assistance with these activities. Unmet need was defined as not getting help or not getting enough help for one or more ADLs and/or IADLs for which assistance was needed.

Note: Percentages may not add up to 100% due to rounding and/or missing information.
