To HHC Seniors,

As you approach the end of your undergraduate career and begin to transition to professional work, graduate school or, perhaps, a ‘gap year,’ keep in mind that you are eligible to apply for awards as alumni and the Office of Competitive Awards and Research (IUCARE) can assist you. If you would like to learn more about these awards, there are three upcoming events in the Hutton Honors College:

- **Thursday April 23rd – 3:00 – 4:30pm – Room 206** - Webinar about Schwarzman Scholars program for Indiana University students. The inaugural class of Schwarzman scholars will be chosen fall 2015. Schwarzman scholars will have the opportunity to develop their leadership skills through a fully-funded one-year Master’s Degree (in English) at Tsinghua University – one of China’s most prestigious universities. You can attend the webinar with other students and the Schwarzman campus representative (Paul Fogleman) on a large video screen in the conference room (206) or view it on your own.
