Dear HHC Student,

Over the weekend, the northwest coast of Ecuador was struck by a 7.8 earthquake, resulting in widespread destruction of buildings and infrastructure, at least 2,527 injured people, and at least 413 deaths. Events like this can sometimes feel a world away, but Anna Arteaga, and Diego Herrera, both IU students from Ecuador, are hoping that HHC students will be willing to support a relief effort for their country. To support Ecuador, the Hutton Honors College will be collecting canned food, non-perishable foods, blankets, linens, flashlights, clothing and bottled water in the Student Lounge at Honors. Collection locations will also be in Hodge Hall 2030, Hodge Hall 3035, the Fine Arts Library entrance, and the Global Studies building lobby. If you would prefer to give money online to aid organizations facilitating Ecuador’s recovery, you can do so with the Red Cross, Oxfam, or UNICEF. Even small donations help.

Thank you so much! If you would like more information, please contact:
