A. IUB examinees, generally, did well compared to all students (nationally) taking the tests, on the Pre-Professional Skills Tests:
- Reading – 71% passed (75% passed in 97-98), compared to 67% passing among all students taking the test.
- Writing – 96% passed (97% passed in 97-98), compared to 90% passing among all students taking the test.
- Mathematics – 85% passed (80% passed in 97-98), compared to 70% passing among all students taking the test.

IUB examinees, generally, did very well compared to all students (nationally) taking the tests, on the Computer-Based Academic Skills Assessments:
- Reading – 91% passed (90% passed in 97-98), compared to 88% passing among all students taking the test.
- Writing – 92% passed (90% passed in 97-98), compared to 87% passing among all students taking the test.
- Mathematics – 83% passed (80% passed in 97-98), compared to 71% passing among all students taking the test.

Note: Approximately one-third of all students are exempted from taking these particular tests if they have certain minimum SAT or ACT scores, therefore virtually all IUB students passed these requirements.

B. IUB examinees did very well on the Core Battery all must take:
- Communication Skills – 93% passed (95% passed in 97-98)
- General Knowledge – 96% passed (96% passed in 97-98)
- Professional Knowledge – 98% passed (99% passed in 97-98)

C. IUB median score was above the national passing score for all of the Basic Skills and Academic Competency Tests for which score reports were provided (when IUB had 10 or more examinees on the test).
- On 11 of the 23 tests, 100% of IUB examinees passed
- On 19 of the 23 tests, over 90% of IUB examinees passed

D. IUB median score was above the national median on 18 of the 21 Basic Skills and Academic Competency Tests for which score reports were provided (when IUB had 10 or more examinees on the test). Those above the 60th percentile for the 1998-99 testing period (1997-98 percentile):
- Physical Education - 88th percentile (73rd)
- Music Education - 74th (80th)
- Biology - 72nd (40th)
- Speech Communication - 71st (n/a)
- Communication Skills - 67th (62nd)
- General Knowledge - 65th (62nd)
- Speech-Language Pathology - 64th (73rd)
IUB median scores of 6 tests were below the 50th percentile for the 1998-99 testing period (1997-98 percentile):

- Art Education - 32nd percentile (39th)
- Sociology - 34th (n/a)
- Pre-Professional Skills Test: Writing - 36th (46th)
- Computer-Based Academic Skills test: Reading - 40th (41st)
- Pre-Professional Skills Test: Reading - 48th (50th)
- Mathematics - 48th (64th)
