Parents

Parents' Project wants to assist parents in helping their children succeed in all aspects of their education. Childcare will be provided for all parent activities.

Childcare will be provided for all parent activities. Parents can benefit from our programs and workshops in the following areas:

- Social and educational events and field trips
- College and job fairs
- Workshops on college research and application
- Parent-teacher conferences and support
- Supporting healthier education and support programs
- Tutoring and mentoring programs
- Family events and social activities
- A supportive community for families and students

Benefits to Students

- Student success
