SEC. 2. ESTABLISHMENT OF NATIONAL SANCTUARY SYSTEM FOR FEDERALLY OWNED OR SUPPORTED CHIMPANZEES NO LONGER NEEDED FOR RESEARCH.

Subpart 1 of part E of title IV of the Public Health Service Act (42 U.S.C. 287 et seq.) is amended by inserting after section 481B the following section:

``SANCTUARY SYSTEM FOR SURPLUS CHIMPANZEES

``Sec. 481C. (a) IN GENERAL.—The Secretary shall provide for the establishment and operation in accordance with this section of a system to provide for the lifetime care of chimpanzees that have been used, or were bred or purchased for use, in research conducted or supported by the National Institutes of Health, the Food and Drug Administration, or other agencies of the Federal Government, and with respect to which it has been determined by the Secretary that the chimpanzees are not needed for such research (in this section referred to as ‘surplus chimpanzees’).

“(b) ADMINISTRATION OF SANCTUARY SYSTEM.—The Secretary shall carry out this section, including the establishment of regulations under subsection (d), in consultation with the board of directors of the nonprofit private entity that receives the contract under subsection (e) (relating to the operation of the sanctuary system).
“(c) Acceptance of Chimpanzees into System.—All surplus chimpanzees owned by the Federal Government shall be accepted into the sanctuary system. Subject to standards under subsection (d)(3), any surplus chimpanzee that is not owned by the Federal Government shall be accepted into the system if the owner transfers to the sanctuary system title to the chimpanzee.

“(d) Standards for Permanent Retirement of Surplus Chimpanzees.—

“(1) In general.—The Secretary shall by regulation establish standards for operating the sanctuary system to provide for the permanent retirement of surplus chimpanzees. In establishing the standards, the Secretary shall consider the recommendations of the National Research Council applicable to surplus chimpanzees that are made in the report published in 1997 and entitled ‘Chimpanzees in Research—Strategies for Their Ethical Care, Management, and Use’.

“(2) Chimpanzees accepted into system.—With respect to chimpanzees that are accepted into the sanctuary system, standards under paragraph (1) shall include the following:

“(A) A prohibition that the chimpanzees may not be used for research. This subpara-
graph does not prohibit noninvasive behavioral studies of the chimpanzees, or medical studies conducted during the course of normal veterinary care that is provided for the benefit of the chimpanzees.

“(B) Provisions regarding the housing of the chimpanzees.

“(C) Provisions regarding the behavioral well-being of the chimpanzees.

“(D) A requirement that the chimpanzees be cared for in accordance with the Animal Welfare Act.

“(E) A requirement that the chimpanzees be prevented from breeding.

“(F) A requirement that complete histories be maintained on the health and use in research of the chimpanzees.

“(G) A requirement that the chimpanzees be monitored for the purpose of promptly detecting the presence in the chimpanzees of any condition that may be a threat to the public health.

“(H) A requirement that chimpanzees posing such a threat be contained in accordance with applicable recommendations of the Direc-
tor of the Centers for Disease Control and Prevention.

“(I) A prohibition that none of the chimpanzees may be subjected to euthanasia, except as in the best interests of the chimpanzee involved, as determined by the system and an attending veterinarian.

“(J) A prohibition that the chimpanzees may not be discharged from the system.

“(K) A provision that the Secretary may, in the discretion of the Secretary, accept into the system chimpanzees that are not surplus chimpanzees.

“(L) Such additional standards as the Secretary determines to be appropriate.

“(3) Non-Federal chimpanzees offered for acceptance into system.—With respect to a surplus chimpanzee that is not owned by the Federal Government and is offered for acceptance into the sanctuary system, standards under paragraph (1) shall include the following:

“(A) A provision that the Secretary may authorize the imposition of a fee for accepting such chimpanzee into the system, except as follows:
“(i) Such a fee may not be imposed for accepting the chimpanzee if, on the day before the date of the enactment of the Postresearch Chimpanzee Care Act, the chimpanzee was owned by the nonprofit private entity that receives the contract under subsection (e).

“(ii) Such a fee may not be imposed for accepting the chimpanzee if the chimpanzee is owned by an entity that operates a primate center, and if the chimpanzee is housed in the primate center pursuant to the program for regional centers for research on primates that is carried out by the National Center for Research Resources.

Any fees collected under this subparagraph are available to the Secretary for the costs of operating the system. Any other fees received by the Secretary for the long-term care of chimpanzees (including any Federal fees that are collected for such purpose and are identified in the report under section 3 of the Postresearch Chimpanzee Care Act) are available for operating the system, in addition to availability for such other
purposes as may be authorized for the use of the fees.

“(B) A provision that the Secretary may deny such chimpanzee acceptance into the system if the capacity of the system is not sufficient to accept the chimpanzee, taking into account the physical capacity of the system; the financial resources of the system; the number of individuals serving as the staff of the system, including the number of professional staff; the necessity of providing for the safety of the staff and of the public; the necessity of caring for accepted chimpanzees in accordance with the standards under paragraph (1); and such other factors as may be appropriate.

“(C) A provision that the Secretary may deny such chimpanzee acceptance into the system if a complete history of the health and use in research of the chimpanzee is not available to the Secretary.

“(D) Such additional standards as the Secretary determines to be appropriate.

“(e) AWARD OF CONTRACT FOR OPERATION OF SYSTEM.—
“(1) IN GENERAL.—Subject to the availability of funds pursuant to subsection (g), the Secretary shall make an award of a contract to a nonprofit private entity under which the entity has the responsibility of operating (and establishing, as applicable) the sanctuary system.

“(2) REQUIREMENTS.—The Secretary may make an award under paragraph (1) to a nonprofit private entity only if the entity meets the following requirements:

“(E) The entity makes the agreement described in paragraph (4) (relating to non-Federal contributions).

“(F) The entity agrees to comply with standards under subsection (d).

“(G) The entity agrees to make necropsy reports on chimpanzees in the sanctuary system available on a reasonable basis to persons who conduct biomedical or behavioral research, with priority given to such persons who are Federal employees or who receive financial support from the Federal Government for research.

“(H) Such other requirements as the Secretary determines to be appropriate.

“(3) BOARD OF DIRECTORS.—For purposes of subparagraphs (A) and (B) of paragraph (2):

“(A) The governing board of directors of the nonprofit private entity involved is composed and appointed in accordance with this paragraph if the following conditions are met:

“(i) Such board is composed of not more than 15 voting members.

“(ii) Such members include individuals with expertise and experience in the science of managing captive chimpanzees
(including primate veterinary care), appointed from among individuals endorsed by organizations that represent individuals in such field.

“(iii) Such members include individuals with expertise and experience in the field of animal protection, appointed from among individuals endorsed by organizations that represent individuals in such field.

tional member who serves as the chair of
the board, appointed from among individ-
uals who have been endorsed for purposes
of clause (ii), (iii), (iv), or (v).

“(ix) None of the members of the
board has been fined for a violation of the
Animal Welfare Act.

“(B) The terms of service for members of
the board of directors are in accordance with
this paragraph if the following conditions are
met:

“(i) The term of the chair of the
board is three years.

“(ii) The initial members of the board
select, by a random method, one member
from each of the six fields specified in sub-
paragraph (A) to serve a term of two years
and (in addition to the chair) one member
from each of such fields to serve a term of three years.

“(iii) After the initial terms under clause (ii) expire, each member of the board (other than the chair) is appointed to serve a term of two years.

“(iv) An individual whose term of service expires may be reappointed to the board.

“(v) A vacancy in the membership of the board is filled in the manner in which the original appointment was made.

“(vi) If a member of the board does not serve the full term applicable to the member, the individual appointed to fill the resulting vacancy is appointed for the remainder of the term of the predecessor member.

“(4) REQUIREMENT OF MATCHING FUNDS.—
The agreement required in paragraph (2)(E) for a nonprofit private entity (relating to the award of the contract under paragraph (1)) is an agreement that, with respect to the costs to be incurred by the entity in establishing and operating the sanctuary system, the entity will make available (directly or through
donations from public or private entities) non-Federal contributions toward such costs, in cash or in kind, in an amount not less than the following, as applicable:

“(A) For expenses associated with establishing the sanctuary system (as determined by the Secretary), 10 percent of such costs ($1 for each $9 of Federal funds provided under the contract under paragraph (1)).

“(5) ESTABLISHMENT OF CONTRACT ENTITY.—If the Secretary determines that an entity meeting the requirements of paragraph (2) does not exist, the Secretary may for purposes of paragraph (1) make a grant for the establishment of such an entity, including paying the cost of incorporating the entity under the law of one of the States.

“(f) DEFINITIONS.—For purposes of this section:

“(1) The term ‘permanent retirement’, with respect to a surplus chimpanzee, means that the chimpanzee has been accepted into the sanctuary system,
that under subsection (a) the system provides for the lifetime care of the chimpanzee, that under subsection (d)(2) the system does not permit the chimpanzee to be used in research or to be euthanatized (except as provided in subsection (d)(2)(I)), that under such subsection the system will not discharge the chimpanzee from the system, and that under such subsection the system otherwise cares for the chimpanzee.

The purposes for which funds reserved under the
preceding sentence may be expended include the construction and renovation of facilities for the sanctuary system, subject to section 496(b).

“(2) LIMITATION.—Funds may not be reserved for a fiscal year under paragraph (1) unless the amount appropriated under this Act for such year equals or exceeds the amount appropriated under this Act for fiscal year 1999.

“(3) USE OF FUNDS FOR OTHER COMPLIANT FACILITIES.—With respect to amounts reserved under paragraph (1) for a fiscal year, the Secretary may use a portion of such amounts to make awards of grants or contracts to public or private entities operating facilities that provide for the retirement of chimpanzees in accordance with the same standards that apply to the sanctuary system pursuant to regulations under subsection (d)(2). Such an award may be expended for the expenses of operating the facilities involved.”.
