Dear Members,

We hope you have a wonderful Thanksgiving and quality time with family and friends. With Christmas quickly approaching, we will all be busy with holiday shopping and greeting cards to write and post, but don’t forget to make your reservation for the Madrigal Dinner before noon this Wednesday December 3rd! Please also note that if you made a reservation, payment is also due by December 3rd. This year’s Madrigal will be one of the best ever with wonderful food, friendships, and especially the amazing entertainment!

Last month we enjoyed Ed Hirt's talk on "Fanship", Jean Dayton's timely talk on "Books to Give and Get", as well as Karin James talk on "Handwriting and Learning in Children". We appreciate the generous time our IU Faculty and local experts spend to enlighten us with such interesting topics! Thank you also, to Professor David McCarty for his interesting talk on "The Hollywood Sound".

A very special thank-you goes out to all of you who have already contributed to the University Club Scholarship Fund. Last March we were able to award $1,500 scholarships to three very worthy student IMU employees who were recognized at the UClub Annual Meeting & Luncheon. With your continued donations we will be able to award three or more scholarships again 2015. Check the website at: Indiana.edu/~uclub for more information and to make a donation.

A very special thank-you to Lu Cregar, who will be retiring as our Webmaster at the end of this year. It was Lu who first said, “we need a website!” and pulled us into the cyber age while we watched with awe and admiration. Lu devoted many years to creating and maintaining our first website, which has become a valuable communication and marketing tool for the club. We wish Lu all the best in her future endeavors — Thank you Lu!

We would also like to thank the Interest Group chairs and coordinators for their volunteer work in organizing the many and varied group activities. Interest Groups are an integral part of the University Club and we sincerely appreciate all your efforts. Thanks also to the many members who participate!

We wish you all a very Merry Christmas and Happy New Year!

Your Co-Presidents,

Kate & Suzanne

We were able to award three $1,500 scholarships to deserving students; Kyle Butler, Lauren Kesmodel and Brooke Leitch. With your continued support, we hope to do that again in 2015.

You will soon receive a letter from me in your mailbox. Please join me in reaching out to the most important segment of our community, our students, by considering a tax-deductible contribution in this...

Be Our Guest

Be Our Guest is the invitation the University Club extends to individuals who have never been a University Club member. This invitation gives folks a special incentive to attend an event for FREE and become familiar with the club. Anyone can Be Our Guest. There is no obligation to become a member but we are confident that once a person has a taste of the club, they will be eager to join. This is also an excellent way for current members to introduce a member prospect to the club. All a person needs to do is call the club at 812-855-1325 to be added to the participant list for our “regular speaker luncheons” held at the club.
Our host, and Master of Ceremonies extraordinaire, Tim Long, had us singing along with classics such as Ach, Du lieber Augustin, which was a mouthful for those of us that don’t speak German but superfun!

Well! I have no idea what that means, but it was fun to sing! I can tell you this; the schnitzel at this year’s Oktoberfest was incredible as was the entire meal prepared by Chef Tom Berinati. Yum!

We were treated to Tim’s German humor (?), sang along with live Oompah tunes mixed with traditional and crooner pieces, and thoroughly enjoyed the music which was expertly played by the OktoberFesters Brass Trio. The crowd was dancing and singing and we all had a “wunerful, wunerful”, time!

Thank you Tim Long for organizing and sponsoring a great Oktoberfest celebration!

In a long career in campus administration Perry has had the opportunity to serve under 4 campus Chancellors in a variety of posts and has regularly represented the administration in dealings with students, faculty, staff, alumni, townpeople and legislators. December 2 - Defense Technology - By Peter Singer

From robotic planes to cyber weapons to 3D printing and human enhancement, new "game-changing" technologies are moving from science fiction to battlefield reality - all during an age of fiscal austerity. But in wrestling with the new, we can actually learn a great deal from the past. Our forebears went through similar challenges with such once fanciful but now normal concepts as airplanes, submarines, and tanks. What are the "killer applications" of the 21st century battlefield, and in turn, what are the issues that the U.S. must navigate in adapting to them?

WINTER TOUCH THE EARTH
Thursday, January 22, 2015

This 1.5-mile hike is in a Sycamore Land Trust preserve between Nashville and Columbus less than a mile south of highway 46. The trail passes through a variety of habitats including semi-open fields, scrub, and dense forest. Most is in reclaimed farmland. We may have a Sycamore Land Trust representative with us to describe the area and point out special features. The area has relatively little vertical relief, so the hike will be short and easy.

Leave Time: 9:00 a.m. Carpool from east side of Bloomingfoods/K-mart parking lot.
Distance: 2 miles
Estimated hiking time: 1 - 2 hours
Difficulty: Easy

YOGA

You need not feel intimidated by yoga! If you are interested in improving balance, breathing, flexibility, and relaxation, this is the group for you. No previous knowledge of yoga is necessary. Everyone works at their own level.

Our group meets throughout the year each Tuesday from 10 — 11 am at St. Thomas Lutheran Church in Heritage Hall which promotes a relaxed and spiritual environment for practicing yoga. St. Thomas Lutheran is located at the intersection of Smith Road and E. 3rd Street. Parking is plentiful. Wear comfortable clothes to permit easy movement; bring a yoga mat and a stretchy band or belt. Our instructors strive to leave you feeling stretched, relaxed and in a better place than when you came through the door.

You may join us three times before membership in the University Club is required for participation. There is no additional cost beyond your University Club membership, but we do ask that you give a minimum $20 annual donation to St. Thomas Lutheran Church for the use of their lovely facility.

If you have questions, please feel free to contact Marilyn, Wendy, or Svetla.

Christmas Outing
Monday, December 15, Departs 8:00 AM to St. Meinrad
The Benedictine tradition came to the Midwest in the 1850s, when the Swiss Abbey of Einsiedeln sent two monks to Indiana to start a new foundation. Today, the Benedictine community at Saint Meinrad consists of about 100 men who dedicate their lives to prayer and work. They gather in community five times a day to pray for the Catholic Church and the world. Guests are welcome to join the monks in prayer in the Arch abbey Church. We will visit the library, where crèches donated by Meadowood Resident Catherine Smith are on display, then tour the campus, attend noon prayer, eat lunch, and visit the gift shop. In the afternoon we will visit The Sisters of St. Benedict in Ferdinand, Indiana. The Sisters of St. Benedict came to Ferdinand, Indiana, in 1867 to fill a need and make a difference in the lives of local settlers. Through the years, the sisters have adapted to the needs of a changing world and continue to faithfully live the 1,500-year-old tradition of Benedictine life. Price of $25 includes lunch and snacks on the bus.
