Happy New Year!

Wow! Here it is, 2015! It's certainly true, "time flies when you’re having fun!" Fun in December was the wonderful Madrigal Dinner with great music from the Grateful Divas, lute, and trumpets. Merlin the Magician and Jo-Jo the Jester mystified us all with their magic. The harvest feast was truly scrumptious and did satisfy the most discerning palate. Guests were privileged to be seated at beautifully decorated tables complete with programs and hand crafted souvenir medallions. What a very special evening! Then you were invited to celebrate the beginning of this year at our New Year's Eve Party. What could be more fun than music, magic, and movies? So of course we had more - delicious food, games, and Champagne! It's such a terrific tradition to watch the ball drop in Times Square and toast the New Year with kisses and champagne.

This month the UWC Speaker Series Lunch is proud to present Perry Metz! Perry will give us an insiders look on the world of public television and radio. As soon as we kick into February we are treated to a Super Bowl Party complete with a gourmet deli. Don't miss cheering for your favorite team with your friends as you watch the game on our big screen!

We want to thank our super Club Manager, Deb Cordrey, who has tirelessly worked to make every event successful, informative, and great fun. She designs and edits this newsletter to catch your attention and make reading it a delight! We also want to thank those of our members who have volunteered their time and talent to make our programs and events a special part of our lives. We hope you will continue to enrich us!

The Magical Madrigal
January’s birth flower, the **carnation**, comes in several different colors to convey different meanings, much like roses. A pink carnation means affection, while a red carnation means ‘I love you.’ White carnations mean pure love, striped carnations mean regret that a love is not shared, and yellow means rejection or disappointment. The other January flower is the **snowdrop**, which used to be considered bad luck due to the fact that it would always seem to appear to grow in and near graveyards. Nowadays, it signifies hope and beauty.

University Club Presidents' Room, Room 150 IU Memorial Union

Ever wonder the Who’s, What’s and How’s of Modern TV and Radio?

Join us for a dynamic insider’s look at the world of public television and radio with IU’s very own Perry Metz. Metz has served as the Chair of the statewide consortium of Indiana Public Broadcasting Stations since 1995. He oversees the radio and television stations, which broadcast NPR, PBS, BBC, and original content, along with “a production arm that does audio and video work for the university and, occasionally, private clients,” he says.

In a long career in campus administration Perry has had the opportunity to serve under 4 campus Chancellors in a variety of posts and has regularly represented the administration in dealings with students, faculty, staff, alumni, townpeople and legislators. A frequent campus spokesperson, Metz is a man with something to say.

2015 University Club Scholarships

2014 was the eleventh year that the University Club of Indiana University presented scholarships to students who work at the IMU. Funds are generously donated by members of the University Club to support students of excellence. Thanks to your generous support, the scholarship fund currently has over $47,000 in the endowment!

We were able to award three $1,500 scholarships to deserving students; Kyle Butler, Lauren Kesmodel and Brooke Leitch. With your continued support, we hope to do that again in 2015.

Please join me in reaching out to the most important segment of our community, our students, by considering a tax-deductible contribution in this... The Warmest of Seasons

Thank you! Suzanee Phillips, University Club Co-President and Scholarship Chair

When he isn’t pursuing his NIH-funded research on that subject, he can be found serving on the Boards of the Interfaith Winter Shelter and the Shalom Community Center, or in the choir stalls of the First United Methodist Church.

January 13—Russia and the Near Abroad
As calls for closer ties with the EU failed to be met, Ukrainians took to the streets in in November 2013. As the movement later known as the Euromaidan, or “Euro Square,” pulled western Ukraine closer to its European neighbors, another powerful force threatened to tear away the country’s eastern half: Russia. Putin’s pushback against European expansionism has the West wondering: If Putin’s Russia isn’t afraid to take an aggressive stance against Europeanization in Ukraine, what does that mean for the rest of Russia’s neighbors?
