University Club Members in good standing are eligible to participate in as many interest groups as they wish.

Please contact the interest group chair directly to sign up.

ARTS AND ANTIQUES

The Arts and Antiques group will meet on January 23, 2020 at 1:00 pm in the University Club Faculty Room upstairs. Dessert and coffee to follow after the meeting. Our speaker will be Susan Eastman.

Home lighting changed dramatically in the decades after the turn of the century as electricity spread from streets into private houses and from cities into small towns. Using pictures taken in local homes and shops, Susan Eastman, HT author of Antiques and Treasures, illustrates changing lighting styles from utilitarian kerosene to stylish electric lamps that follow artistic trends in the first half of the 20th century.

It would be fun if any members would like to bring a small vintage lamp to share with our group.

Please RSVP to Linda Burton by Monday, January 20. Looking forward to seeing everyone!

HIKING IN SOUTHERN INDIANA

In November, eleven of us hiked with Shane Gibson, educator for the Sycamore Land Trust at the Bean Blossom Bottoms. Since we last hiked there a few years back, a major trail improvement was done to this property. Shortly thereafter a tornado hit. The tornado did major damage in certain areas so the trail has been closed until recently. Now after the clean up, the trail is again available to the public for hiking. The contrast between how it looked five years ago and how it looks now are astounding. This is a prime example of how devastating the wind can be. The hiking group enjoyed the hike and the conversation that accompanied it.

Visit the website to see other properties that the SLT owns. www.sycamorelandtrust.org.

Please email the group chair if you are interested in future hikes. The group will be hiking again in February.

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card.

We are currently meeting weekly, every Friday from 3:00 - 5:00 at Bloomingfoods East in the community room.

WRITE A FAMILY TREASURE

Do you love to recount childhood adventures? Was there an event that changed your life? The University Club is considering a new interest group, Write a Family Treasure, which will inspire members to write about their life and help them get started. It would meet once a month. Each meeting would last about 2 hours. The first meeting would cover some of the fundamentals about writing about yourself: what form your writing might take, how to overcome the impediments to writing, and what tools are available. It would include writing prompts and a little time to write. In subsequent meetings, group members would discuss their progress and share some of their writing. These meetings would also include additional prompts and time to write.

If you are interested in this group, please contact Wendy Teller at teller@rcn.com or call her at 812-334-7974.
